### Basic Information

- Place of Origin: GUANGDONG CHINA
- Brand Name: Meklon
- Certification: ISO,SGS,MSDS
- Model Number: NH700
- Minimum Order Quantity: 200cartoon
- Price: USD3.06/L-10.5/L
- Packaging Details: 1L\*12,4\*4,20L,200L
- Delivery Time: 5-8 work days
- Payment Terms: T/T
- Supply Ability: 500000L/month

### Product Specification

- Material: Acrylic Resin
- Usage: Car Paint, Plastic Coating
- Application Method: Spray
- State: Liquid Coating
- Brand: Honda
- Shelf Life: 3 Years
- Port: Hong Kong, Huangpu, Shekou, Nansha
- HS Code: 320890
- High Light: Honda Ready Mixed Car Paint
- Coverage: Various Coverage
- Product: Ready Mixed Paint
- Highlight: **ISO Silver Automotive Spray Paint, auto car paint, automotive paint matching**

## Product Description

### Meklon GAC Honda Snow Silver NH700 Color Matching System Car Paint

GAC Honda Snow Silver NH700 color finished paint is a versatile and sophisticated option for car buyers who want a timeless and elegant appearance for their vehicles. The light silver color has a subtle pearlescent finish that adds depth and dimension to the color, creating a refined and dynamic look. It complements many different styles of vehicles and looks great in any setting, from city streets to country roads. Plus, the paint is durable and easy to maintain, with resistance to chips, scratches, and fading, making it a practical choice for those who want a color that will look great for years to come. With its understated elegance, GAC Honda Snow Silver NH700 color finished paint is an excellent choice for car buyers who want a versatile and sophisticated color for their vehicle.

GAC Honda Snow Silver NH700 finished paint is a high-quality, high-gloss, and high-durability finished paint. It has excellent anti-corrosion and anti-oxidation properties, and can maintain the original luster of the car body for a long time.

GAC Honda Snow Silver NH700 finished paint is made of high-quality raw materials and advanced technology. It has excellent anti-corrosion and anti-oxidation properties, and can maintain the original luster of the car body for a long time. It is also resistant to scratches and abrasions, and can maintain its original appearance after long-term use. In addition, GAC Honda Snow Silver NH700 finished paint has a high gloss and a smooth surface, which makes the car body look more luxurious and elegant.

#### Meklon GAC Honda Snow Silver NH700 has many advantages, including:

- 1.Smooth and delicate texture: The paint has a smooth and delicate texture, which makes the surface of the car look smooth and luxurious.
- 2.Bright and luxurious appearance: The paint has a bright and luxurious appearance, which makes the car look more attractive.
- 3.Resistant to scratches and abrasion: The paint is resistant to scratches and abrasion, which can keep the car looking new for a long time.
- 4.Long-lasting shine: The paint has a long-lasting shine, which can make the car look new for a long time.

GAC Honda Snow Silver NH700 color finished paint has several advantages that make it a popular choice for car buyers. One of the main advantages is its timeless and elegant appearance. The light silver color with a subtle pearlescent finish creates a sophisticated and refined look that never goes out of style. The pearlescent finish also adds depth and dimension to the color, making it a dynamic and eye-catching option. Another advantage of GAC Honda Snow Silver NH700 color finished paint is its versatility. It complements many different styles of vehicles and looks great in any setting, from urban to rural. The color can be paired with a wide range of interior and exterior color schemes, making it a popular choice among car buyers who want a color that will look great with their personal style. This versatility also means that the color can be used across different models and body types, making it a practical choice for car manufacturers.

The paint is also durable and easy to maintain. It is resistant to chips, scratches, and fading, and can be easily cleaned and polished to restore its shine. This makes it a practical choice for those who want a color that will last and look great for years to come. Additionally, as a lighter color, it is less likely to show dirt and grime, making it easier to maintain a clean and polished appearance.

Finally, GAC Honda Snow Silver NH700 color finished paint is a popular choice among car buyers who want a color that will hold its value. Its timeless and elegant appearance means that it is less likely to go out of fashion, making it a practical choice for those who want to retain the resale value of their vehicle.

Overall, GAC Honda Snow Silver NH700 color finished paint is a versatile, elegant, and practical color option for car buyers. Its timeless and sophisticated appearance, versatility, durability, and ease of maintenance make it a popular choice among car manufacturers and buyers alike.
