

## Anti Oxidation Car Body Colour Spray Paint Mildewproof Fade Resistant

### Our Product Introduction

#### Basic Information

- Place of Origin: GUANGDONG CHINA
- Brand Name: Meklon
- Certification: ISO,SGS,MSDS
- Model Number: 6W2
- Minimum Order Quantity: 200cartoon
- Price: USD3.06/L-10.5/L
- Packaging Details: 1L\*12,4\*4,20L,200L
- Delivery Time: 5-8 work days
- Payment Terms: T/T
- Supply Ability: 500000L/month

#### Product Specification

- Material: Acrylic Resin
- Usage: Car Paint, Plastic Coating
- Storage: Store In A Cool, Dry Place
- State: Liquid Coating
- Shelf Life: 3 Years
- Application Method: Brush, Roller, Or Spray
- HS Code: 320890
- Coverage: Various Coverage
- Product: Ready Mixed Paint
- Highlight: primer paint for vehicles, clear top coat for cars, auto base paint for cars

## Product Description

### Meklon GAC Toyota Tartrazine 6W2 Color Matching System Car Paint

GAC Toyota Tartrazine 6W2 is a vibrant and eye-catching color that is commonly used on Toyota vehicles. It is a bright shade of yellow with a hint of green undertones, giving it a unique and dynamic appearance that stands out on the road. The name "Tartrazine" refers to the organic compound used to create the pigment in the paint, which is a common yellow dye found in many foods and beverages. This particular shade is known for its high gloss finish and excellent durability, thanks to the advanced technology used in the paint formulation. It is a popular choice for those who want a bold and dynamic color that makes a statement, while still being practical and long-lasting. Whether you are looking for a standout color for your Toyota vehicle or just appreciate the aesthetic appeal of Tartrazine 6W2, this is a color that is sure to turn heads and make a lasting impression.

#### Here are the key selling points of GAC Toyota Tartrazine 6W2 finished paint:

One of the primary selling points is its vibrant and eye-catching appearance, which makes it a popular choice for those who want to stand out on the road. Additionally, the high gloss finish and excellent durability of the paint make it a practical choice for those who want a long-lasting and low-maintenance paint job. The unique green undertones in the yellow color also add a touch of sophistication and style to the overall look of the vehicle. In terms of branding, the GAC Toyota Tartrazine 6W2 color is exclusively available on Toyota models, which makes it a sought-after option for Toyota enthusiasts. Finally, this color is also associated with a sense of fun and excitement, which can be a powerful selling point for those who want to project a youthful and energetic image. Overall, the GAC Toyota Tartrazine 6W2 color finished paint is a high-quality and visually appealing option for those who value style, durability, and brand exclusivity in their vehicle's appearance.

#### Meklon GAC Toyota Tartrazine 6W2 Color has many advantages, including:

The GAC Toyota Tartrazine 6W2 finished paint is a popular choice in the automotive market. It has gained a significant following among Toyota enthusiasts and car owners who appreciate its vibrant and unique appearance. The color's high gloss finish and excellent durability have also contributed to its popularity, as it provides a low-maintenance option for those who want a long-lasting paint job. Furthermore, the association of this color with a sense of fun and excitement has helped to make it a hit with younger car buyers who want to make a bold statement with their vehicle's appearance. The exclusivity of this color to Toyota models has also contributed to its popularity among Toyota fans, who see it as a way to show their loyalty to the brand. Overall, the GAC Toyota Tartrazine 6W2 finished paint has gained a strong foothold in the market and is likely to continue to be a popular choice among car buyers for years to come.
