Basic Information

- Place of Origin: GUANGDONG CHINA
- Brand Name: Meklon
- Certification: ISO,SGS,MSDS
- Model Number: 1G3
- Minimum Order Quantity: 200cartoon
- Price: USD3.06/L-10.5/L
- Packaging Details: 1L*12,4*4,20L,200L
- Delivery Time: 5-8 work days
- Payment Terms: T/T
- Supply Ability: 500000L/month

Product Specification

- Material: Acrylic Resin
- Usage: Car Paint, Plastic Coating
- Storage: Store In A Cool, Dry Place
- State: Liquid Coating
- Shelf Life: 3 Years
- Application Method: Brush, Roller, Or Spray
- HS Code: 320890
- Coverage: Various Coverage
- Product: Ready Mixed Paint
- Highlight: **Acrylic Resin Ready Mixed Car Paint,
Ready Mixed Car Paint Multiscene,
2k solid paint**

Product Description

Meklon high gloss finish GAC Toyota Tungsten Grey 1G3 Color Matching System Car Paint

GAC Toyota Tungsten Grey 1G3 is a sleek and sophisticated color that is commonly used on Toyota vehicles. It is a cool shade of grey with a metallic finish, giving it a modern and stylish appearance that exudes class and elegance. The name "Tungsten Grey" refers to the metallic element used to create the pigment in the paint, which gives it a subtle reflective quality that catches the light and adds depth to the color. This particular shade is known for its durability and resistance to wear and tear, thanks to the advanced technology used in the paint formulation. It is a popular choice for those who want a color that is both understated and attention-grabbing, as it complements the lines and curves of the vehicle while still standing out on the road. Whether you are looking for a sophisticated color for your Toyota vehicle or just appreciate the modern aesthetic of Tungsten Grey 1G3, this is a color that is sure to impress and command attention.

Here are the key selling points of GAC Toyota Tungsten Grey 1G3 finished paint:

The GAC Toyota Tungsten Grey 1G3 finished paint is a popular choice among car buyers due to its sleek and sophisticated appearance, which exudes class and elegance. Its metallic finish provides a modern and stylish look that is both understated and attention-grabbing. This color is known for its durability and resistance to wear and tear, making it a practical option for those seeking a long-lasting and low-maintenance paint job. The subtle reflective quality of the pigment adds depth to the color and catches the light, giving it a dynamic and eye-catching appearance. This versatile color complements the lines and curves of any Toyota vehicle, making it a popular choice for all types of car models. It is also associated with sophistication and luxury, appealing to those who want to project a high-end image. The exclusivity of this color to Toyota models adds an element of brand loyalty and makes it a sought-after option among Toyota enthusiasts. Overall, the GAC Toyota Tungsten Grey 1G3 finished paint offers a high-quality and visually appealing option for those who value style, durability, and brand exclusivity in their vehicle's appearance.
