

Car Paint Automotive Coating 1k Solid Color Basecoat Special Black Auto Color Tinter

Our Product Introduction

for more products please visit us on refinishcarpaint.com

Basic Information

- Place of Origin: GUANGDONG CHINA
- Brand Name: Ferrari series
- Certification: ISO,SGS,MSDS
- Model Number: 105
- Minimum Order Quantity: 100 L
- Price: 3.26USD-5USD
- Packaging Details: 0.5L/1L/4L/10L/20L/200L
- Delivery Time: 7-30days
- Payment Terms: T/T
- Supply Ability: 50000L/month

Product Specification

- Main Raw Materials: Acrylic Resin,Polyurethane Resin
- Feature: High Leveling,high Glossy,high Fullness,good Covering,high Adhesion
- Color: Transparent,transparent With Light Yellow
- Substrate: 1k Base Coat
- Shelf Time: 2 Years,at 20
- Component Style: Bi-component
- High Light: Anti Scratch Auto Base Paint, Oil Based Auto Base Paint, Acrylic Car Primer High Adhesion
- Highlight: **Special Black Car Paint Basecoat, Automotive Coating Car Paint Basecoat**

Product Description

Car Paint Automotive Coating 1k Solid Color Basecoat Special Black Auto Color Tinter

Product Description

Car paint automotive coating 1K solid color basecoat

1K Solid Color Basecoat

- Extra quick dry and high quality finish.
- Superior inter-coat adhesion and reduces the possibility of mottling or unevenness in the finish.
- Good covering power and leveling.
- Complete color coverage range with outstanding color accuracy.

1K Metallic Color Basecoat

- Designed specifically to withstand the harsh outdoor environment.
- Unsurpassed scratch and stain resistance.
- Outstanding metal control while preventing discoloration of the clear coat.
- Incredibly vivid color with durable high gloss.

1K Pearl Color Basecoat

- Extremely bright and intense pearlescent effects.
- Superior covering power, quick dry times with attractive pearl layout.
- Varied color cover full range with high color saturation.
- Unique depth and stereo perception with durable colorful appearance.

Packaging Information

Storage
Sealed stored in dry conditions within the temperature range 15°C to 20°C and relative humidity range 55% to 75%.
Shelf Life
24 months (Original sealed under above storage conditions)
Packaging (per carton)
3.75L * 4 can

Meklon Automotive Paint Black is a high-quality coating mainly used for painting and covering of automotive surfaces, with a deep black effect and excellent performance. The following is a detailed description of the product:

Deep black effect: The black paint of Meklon automotive paint has a deep and rich black effect, which can make the surface of the vehicle present high-quality color and gloss, and increase the beauty and value of the vehicle.

High coverage: The black paint has good coverage and can quickly form a uniform coating when spraying, covering defects and blemishes on the surface of the vehicle, making the surface smoother and more uniform.

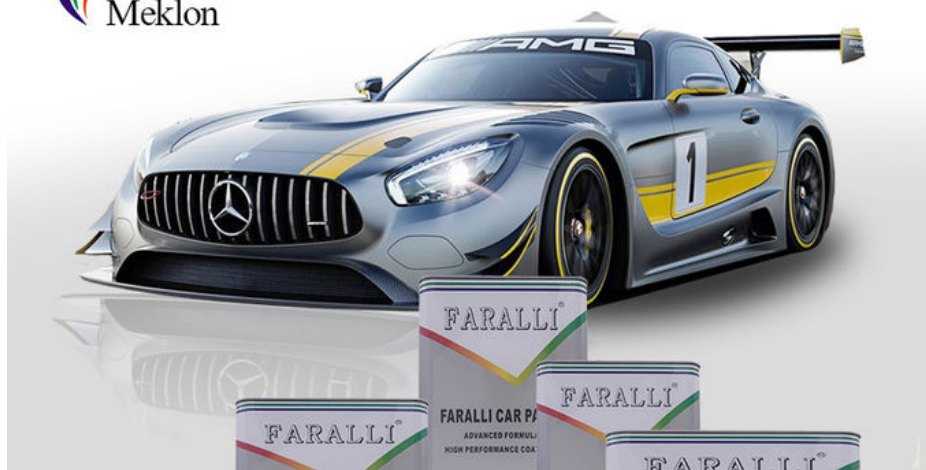

Strong durability: The black paint of Meklon automotive paint has excellent durability, which can maintain the original color and gloss of the car paint in extreme environments, reduce the wear and scratches on the surface of the vehicle, and at the same time improve the anti-oxidation and anti-corrosion of the vehicle ability.

Ease of Application: The black paint has good application properties and dries quickly, reducing production time and costs. At the same time, it also has good leveling and self-leveling properties, which can reduce coating defects during the coating process.

Good color matching: The black paint of Meklon car paint can be perfectly matched with the primer, maintaining consistent color and gloss, making the vehicle surface more uniform and beautiful.

Personalized design: The black paint can be customized and customized to meet the needs of different models and users, and improve customer satisfaction and driving experience.

To sum up, the black paint of Meklon car paint has multiple advantages such as deep black effect, high coverage, strong durability, easy construction, good color matching and personalized design, etc. It is a high-quality paint that can provide high-quality and high-performance coating solutions for car manufacturers and car owners, while protecting the appearance and value of vehicles, and has been widely recognized and applied in the market.
