

## MSDS Mixing Automotive Clear Coat With Hardener Odorless Weatherproof

Our Product Introduction

### Basic Information

- Place of Origin: China
- Brand Name: Meklon
- Certification: ISO,MSDS,SGS
- Model Number: C-52X
- Minimum Order Quantity: 200L
- Price: 5.18USD/L-7.40USD/L
- Packaging Details: Carton
- Delivery Time: 10-15 Work Day
- Payment Terms: T/T
- Supply Ability: 500L per day

### Product Specification

- Brand: Ace Hardender
- Code: C-52X
- Name: Ace Hardener
- Color: Transparent
- Application Temperature: 5-35
- Coverage: 2-3 M2/L
- Shelf Life: 2 Years
- Volume: 1L
- Highlight: car paint hardener,  
automotive paint with hardener,  
mixing paint with hardener

## Product Description

### Ace Hardener Enhanced Weather Resistance for Automotive Paint

#### Product Features

Ace Hardener is a high quality automotive hardener from the manufacturer of Meklon automotive paints, featuring:

Ace Hardener is a high quality automotive curing agent primarily intended to be used in conjunction with automotive paint products from the manufacturer of Meklon automotive paints to enhance their curing effect.

Fast curing: Ace Hardener has the characteristics of fast curing, which can completely cure the car paint in a short time and improve work efficiency.

Wear resistance: The curing agent has excellent wear resistance, which can effectively protect the car surface from scratches and abrasions.

Weather resistance: The curing agent is specially formulated to have excellent weather resistance and can resist the erosion of various natural factors such as sunlight, rain, and acid rain.

Ease of application: Ace Hardener is easy to apply and can be used in combination with other products from the manufacturer of automotive paints from Meklon, even better.

#### Company introduction

Meklon car paint manufacturer is a company dedicated to producing high-quality car paint, with 6 brands, namely CarCharm, poshiche, ferria, Meishilianke, Meiguanda and Meklon, each brand has its own unique packaging and characteristics. Our research team consists of our own research engineers who have developed high-quality car paint products such as Ace Hardener according to the standards.

Meklon car paint manufacturers pay attention to the quality of products and after-sales service, and provide customers with high-quality services to ensure customer satisfaction. Due to the excellent product quality and the guarantee of after-sales service, our company's products are very popular in the market and have been trusted and praised by our customers.
