Product Description

2K Through Black Auto Refinish Car Paint Acrylic Colors with Free Samples Auto Paint

Product Description

Automotive Coating Body Car Paint:

Our 1K Solid Color Basecoat offers an extra quick dry time and high-quality finish, while also providing superior inter-coat adhesion to reduce the possibility of mottling or unevenness in the final coat. Additionally, this basecoat offers good covering power and leveling, with a complete range of colors that offer outstanding color accuracy.

Our 1K Metallic Color Basecoat is designed specifically to withstand harsh outdoor environments, providing unsurpassed scratch and stain resistance. This basecoat also offers outstanding metal control, preventing discoloration of the clear coat, and delivers incredibly vivid color with a durable high-gloss finish.

For a unique and attractive finish, our 1K Pearl Color Basecoat delivers extremely bright and intense pearlescent effects. This basecoat offers superior covering power, with quick dry times and an attractive pearl layout. With a wide range of colors featuring high color saturation, this basecoat provides a unique depth and stereo perception with a durable colorful appearance.
