Application Method	Spray
Usage	Car Paint
Market	Global
Delivery	20 - 35 Days After Order Confirmed
Shelf Life	1-3Years
Model	Durable 1K Pearl Color Spray Automotive Paint
Certificate	ISO/Ts 16949:2009
State	Liquid Coating
Service	OEM Service
Brand Name	PROSHICHE
Transport Package	Standard Export Carton with Pallets
Specification	0.5L/1L, 2.5L / 4L, 5L
Trademark	Meklon
Origin	Guangzhou, China
HS Code	3208100000

Product description

P-X03 Crystal Bronze Pearl is a high quality pigment with a color that customers love.
Color: P-X03 Crystal Bronze Pearl is a brown pigment with metallic luster, it can be fine-tuned to adjust the color depth to make it suitable for different application scenarios. It is a copper-colored crystal pearl with high chroma, which shimmers under strong light. The front and sides are red and yellow.

Performance: P-X03 Crystal Bronze Pearl has excellent light fastness and durability, and can maintain stable color and gloss under different environments. It also has good chemical and heat resistance and can be used in high temperature conditions without fading or discoloration.

Coverage: Crystal Bronze Pearl has excellent coverage and can achieve good coverage even on light bases.

Gloss: Crystal Bronze Pearl has very good gloss, which can make it exhibit good lubricity and fluidity in application scenarios such as paints and coatings. This gloss improves the quality and performance of the paint.

Meklon Proshiche P-X03 Crystal Bronze Pearl is a high-quality pigment with vivid color, excellent

performance, high hiding power and good gloss, which can be widely used in various fields, such as automobile, construction, furniture and so on.
