Why Opt for Our Automotive Refinish Solutions:

Our Core Products: While our primary focus is on delivering top-tier car refinish paint, we go beyond by offering a diverse array of automotive care accessories. Explore our selection, featuring premium items such as spray guns, tack cloths, sanding papers, undercoating solutions, mixers, mixing machines, and paint cups – all meticulously crafted to meet your automotive refinishing needs.

Uncompromising Quality: From the selection of raw materials to the final product, our commitment to quality is unwavering. We adhere to stringent quality control measures at every stage, ensuring that our automotive refinishing products meet and exceed industry standards.

Comprehensive Services: Embrace the opportunity to showcase your unique brand. We extend our services with customizable OEM/ODM solutions. If you envision your products bearing your brand identity, feel free to connect with us for tailored solutions that align with your vision.

Swift Deliveries: Time is of the essence in the automotive refinishing industry. Count on us for prompt deliveries, guaranteeing shipment within 7 to 10 days post order confirmation. Trust in our efficiency to meet your project timelines seamlessly.

Choose us for a comprehensive automotive refinishing experience, combining quality, customization, and punctuality for unparalleled results.

Frequently Asked Questions (FAQs):

Are you a Factory or Trading Company?

A: We are a reputable paint factory with over 20 years of experience. Our specialization extends to car paint, industrial paint, wood paint, plastic paint, and more. In addition to paints, we offer a comprehensive range of car care accessories, including undercoating, rubbing compound, spray guns, polishing pads, wool pads, abrasive paper, masking tape, filters, strainers, putty spatulas, and more.

What is Your Car Paint System?

A: Our car paint systems include acrylic car refinish paint, catering to both medium solid (MS) and high solid (HS) formulations. What is the Applicable Range of Your Products?

A: Our products find applications in various domains, including cars, trucks, metal surfaces, guardrails, billboards, and more.

Can Your Company Provide Samples for Testing? What is the Minimum Order Quantity?

A: Yes, we offer free samples for testing. The minimum order quantity is 100 cartons.
Does Your Company Provide After-Sales Service?

A: Absolutely. Upon request, our engineers can visit customers to provide professional solutions and support.
If I Come to China, How Can I Find Your Factory and Visit?

A: We enthusiastically welcome your visit to our factory and company. Our dedicated driver can pick you up from the airport or any appointed location, ensuring a smooth journey to our facilities. Experience firsthand the quality and expertise that define our automotive refinishing solutions.
