

## OEM 1K Car Refinish Acrylic Paint From Meklon Automotive Paint

Our Product Introduction

### Basic Information

- Place of Origin: GUANGDONG CHINA
- Brand Name: Meklon
- Certification: ISO,SGS,MSDS
- Model Number: 125
- Minimum Order Quantity: 200 cartoon
- Price: USD3.06/L-10.5/L
- Packaging Details: 1L\*12,4\*4,20L,200L
- Delivery Time: 5-8 work days
- Payment Terms: T/T
- Supply Ability: 500000L/month

### Product Specification

- Material: Acrylic Resin
- Usage: Car Paint, Plastic Coating
- Application Method: Spray
- State: Liquid Coating
- Brand: Carcharm
- Shelf Life: 3 Years
- HS Code: 320890
- High Light: Honda Ready Mixed Car Paint
- Coverage: Various Coverage
- Highlight: **1K Car Refinish Acrylic Paint,  
OEM Car Refinish Acrylic Paint**

## Product Description

### High Quality 1K Car Refinish Acrylic Paint From Meklon Automotive Paint Supplier

Explore the epitome of automotive coating excellence with Meklon car paint, meticulously formulated for enduring durability and vibrant coloration. Proudly manufactured in China, Meklon car paint products undergo stringent testing, setting a benchmark that surpasses even the most renowned brands in the automotive paint industry.

For over 25 years, The Coating Store has stood as the premier distributor of Meklon car paint, offering customers direct access to manufacturer prices. Our clientele consistently revel in substantial savings, often amounting to hundreds or even thousands of dollars, by procuring their automotive paint online. The overwhelmingly positive reviews from our satisfied customers bear witness to the exceptional quality of Meklon car paint products.

Embrace automotive excellence with unbeatable pricing, stellar reviews, and premium quality—entrust us with all your automotive coating needs!

Suitable Substrates:

All existing OEM finishes, excluding thermoplastic acrylic finishes.

All current Meklon car paint preparatory products.

Not recommended for direct application on acid-containing Washprimers.

Basic Raw Materials:

Autobase: Physical drying binders

Autobase Blending Agent: Physical drying binders

Elevate your automotive refinishing projects with Meklon car paint—where quality meets affordability, and performance surpasses expectations.

### Application method

spray gun	Gravity gun	Suction gun
	gun nozzle: 1.2mm, gun pressure: 2.0-3.0 MPa	gun nozzle: 1.5mm, gun pressure: 2.0-3.0 Mpa
substrate	dry 1K primer surface with smooth effect	
Paint preparation	1k paint- thinner-EX10/EX20/EX30	
mix ratio	1 : 1 (base paint : thinner)	
spraying layers	2-3 coats	
flash off time	3-5 mins , 20-25	
surface dry time	15-20mins	
Time to Polish	1h, P1000 sanded paper	
Relationship between drying temperature and time of 1K base coat		
Tenmperture	Surface Drying time	Time to Polish
25	10-15 mins	1 hour
35	5-10 mins	40 mins
60	3-5 mins	15 mins

Highlighting the Distinctive Features of Radiant Red:

Immersive Crimson Experience: Our Radiant Red automotive paint offers a deep, captivating red that injects a unique visual impact and abundant energy into vehicle surfaces.

Outstanding Coverage Power: This paint boasts exceptional coverage power, effectively concealing underlying colors to ensure a uniformly vibrant red coating.

**User-Friendly Application:** Radiant Red automotive paint utilizes a one-component formula, streamlining the painting process for enhanced convenience and efficiency.

**Robust Adhesion:** Achieve a secure bond to vehicle surfaces, providing enduring protection against various environmental influences encountered in everyday driving.

**Exceptional Weather Resistance:** With outstanding weather resistance, this paint shields against UV rays, climate variations, and other natural elements, maintaining long-term color stability.

**Versatile Applicability:** Radiant Red automotive paint is compatible with different materials and vehicle models, offering diverse options for enhancing the aesthetic appeal of vehicles.

**Unique Color Palette:** By accentuating the Radiant Red, infuse vehicles with a distinctive personality, making them stand out on the road.

#### FAQ:

Q1: Are you a trading company or a manufacturer?

A: Yes, we are a manufacturer with our factory located in Shaoguan, Guangdong, China. It's approximately a one and a half-hour drive from Guangzhou airport to our facility.

Q2: Do you provide samples? Is it free or at an additional cost?

A: Depending on the specific situation, we can offer free samples.

Q3: Can you manufacture the paint under my brand and logo?

A: Yes, we can pack and deliver the paint under your brand. However, certain licensing requirements and minimum order quantities are necessary. For more details, please contact us to discuss our OEM Cooperation Terms.

Q4: Is your car paint suitable for our weather?

A: Our car paint has been tested by customers nationwide and in overseas markets. Additionally, we can adjust the formula to accommodate the climate conditions in each local market.

Q5: Can you produce customized colors?

A: Yes, we can. We would need a color sample from buyers, or alternatively, you can send us a picture for reference.

Q6: What free advertising materials would you provide if I place an order? How many pieces would be given for free?

A: We offer various free advertising materials such as mixing machines, balances/scales, spray guns, display racks, T-shirts, caps, CDs, posters, tinting maps, TDS (Technical Data Sheets), color reference cards, mixing rulers, etc. The quantity of free items is determined based on your order amount.
