Frequently Asked Questions (FAQ):

Q1: Are you a trading company or a manufacturer?

A: We are a reputable manufacturer based in Shaoguan, Guangdong, China, with our own state-of-the-art factory. Conveniently located, our facility is just a one and a half-hour drive from Guangzhou airport.

Q2: Do you provide samples? Is it free or at an additional cost?

A: Depending on the circumstances, we can provide free samples to interested parties.

Q3: Can you manufacture the paint under my brand and logo?

A: Absolutely. We offer the option to pack and deliver the paint under your brand. However, certain licensing requirements and minimum order quantities apply. Contact us for a detailed discussion on our OEM Cooperation Terms.

Q4: Is your car paint suitable for our weather?

A: Our car paint has undergone rigorous testing both nationally and in overseas markets. Moreover, we can customize the formula to ensure optimal performance in various climate conditions.

Q5: Can you produce customized colors?

A: Yes, we can. Provide us with a color sample, or alternatively, share a picture for reference, and we'll tailor the color to your specifications.

Q6: What free advertising materials do you provide if I place an order? How many pieces are given for free?

A: With your order, we offer an array of complimentary advertising materials including mixing machines, balances/scales, spray guns, display racks, T-shirts, caps, CDs, posters, tinting maps, TDS (Technical Data Sheets), color reference cards, mixing rulers, and more. The quantity of free items is determined based on your order amount, ensuring you have the tools to showcase our premium automotive coatings.
