Product Description

Wholesale Price: Auto Refinishing Coating Automotive Refinish Paint 2k Topcoat

Description

1K clear coat is a UV-resistant, fast-drying clear coat that can be applied universally to all existing base coats (solvent-based). Available in glossy, satin gloss, and mat quality. Because of its very good flow and ease of polish, 1K Clear Coat glossy is highly suitable for spot repairs with solvent-based paints (e.g., ColorMatic solvent-based).

Main Raw Material:	Acrylic	Usage:	Car,auto

Dedicated Customer Support: Rely on our unwavering support. Our dedicated customer support team is poised to assist you with any inquiries, concerns, or special requests, ensuring a seamless and satisfying experience throughout.

Frequently Asked Questions (FAQ)

Q1: Are you a trading company or a manufacturer?

A: We are a distinguished manufacturer located in Shaoguan, Guangdong, China, with our cutting-edge factory conveniently situated just a one and a half-hour drive from Guangzhou airport.

Q2: Do you provide samples? Is it free or at an additional cost?

A: Depending on the circumstances, we can provide complimentary samples to interested parties.

Q3: Can you manufacture the paint under my brand and logo?

A: Absolutely. We offer the option to pack and deliver the paint under your brand. However, certain licensing requirements and minimum order quantities apply. Contact us for a detailed discussion on our OEM Cooperation Terms.

Q4: Is your car paint suitable for our weather?

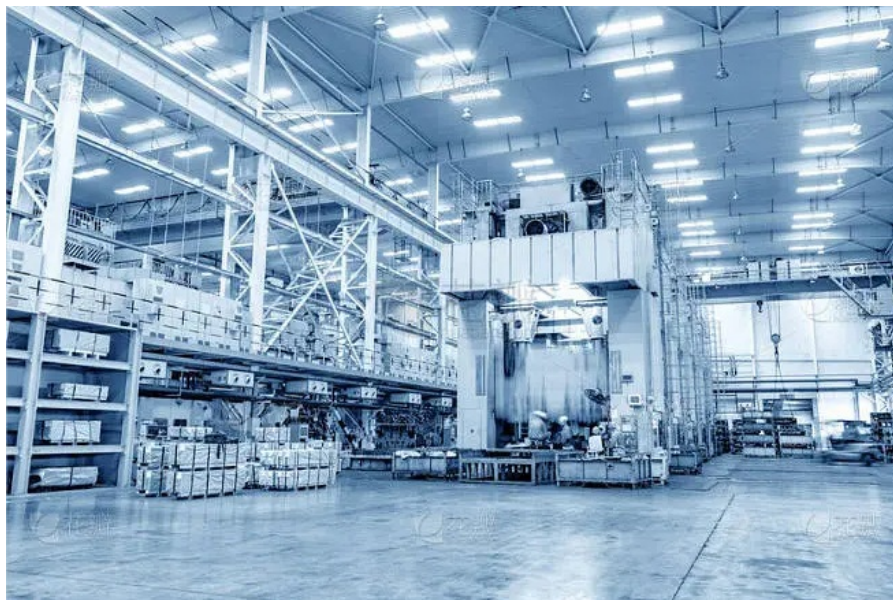

A: Our car paint has undergone rigorous testing both nationally and in overseas markets. Moreover, we can customize the formula to ensure optimal performance in various climate conditions.

Q5: Can you produce customized colors?

A: Yes, we can. Provide us with a color sample, or alternatively, share a picture for reference, and we'll tailor the color to your specifications.

Q6: What free advertising materials do you provide if I place an order? How many pieces are given for free?

A: With your order, we offer an array of complimentary advertising materials, including mixing machines, balances/scales, spray guns, display racks, T-shirts, caps, CDs, posters, tinting maps, TDS (Technical Data Sheets), color reference cards, mixing rulers, and more. The quantity of free items is determined based on your order amount, ensuring you have the tools to showcase our premium automotive coatings.
