#### Company Information:

Established in 2015, Guangzhou Meklon Chemical Technology Co., Ltd. is a leading manufacturer of automotive paints, wood paints, and putties.

With a global reach spanning China, Southeast Asia, Africa, the Middle East, Australia, Europe, and America, we have built a strong sales network. We have established the renowned brands "Ferrari" and "Porsche," solidifying our position as a prominent player in the industry.

Meklon is now an integrated painting company offering a diverse product range and a powerful brand presence. We invite you to join us on our journey of success.

#### Application method

spray gun	Gravity gun	Suction gun
	gun nozzle: 1.2 mm, gun pressure: 2.0-3.0 MPa	gun nozzle: 1.5 mm, gun pressure: 2.0-3.0 MPa
substrate	dry 1K primer surface with a smooth effect	
Paint preparation	1k paint thinner-EX10/EX20/EX30	
mix ratio	1:1 (base paint: thinner)	

spraying layers	2-3 coats	
flash off time	3-5 mins, 20-25	
surface dry time	15-20 mins	
Time to Polish	1h, P1000 sanded paper	
Relationship between drying temperature and time of 1K base coat		
Tenmperture	Surface Drying Time	Time to Polish
25	10-15 mins	1 hour
35	5-10 mins	40 mins
60	3-5 mins	15 mins

#### Features:

This high-performance bi-component car refinish paint series employs a single-coat system for exceptional efficiency. It offers versatile curing options, allowing for both room temperature and low-temperature baking. Key advantages include: rapid drying times, exceptional hardness, a brilliant high-gloss finish, vibrant color reproduction, excellent covering power, and effortless application.

#### Physical properties

Product Name	2K top coat
Density	0.92-1.25 kg/L
Raw materials	Acrylic Resin, Additive, solvent, and polyurethane resin
Colors	multiple colour. See the product list below for details.
Solid content	50%

#### Frequently Asked Questions (FAQ):

Q1: Are you a trading company or a manufacturer?

A: We are a distinguished manufacturer located in Shaoguan, Guangdong, China, with our cutting-edge factory conveniently situated just a one and a half-hour drive from Guangzhou airport.

Q2: Do you provide samples? Is it free or at an additional cost?

A: Depending on the circumstances, we can provide complimentary samples to interested parties.

Q3: Can you manufacture the paint under my brand and logo?

A: Absolutely. We offer the option to pack and deliver the paint under your brand. However, certain licensing requirements and minimum order quantities apply. Contact us for a detailed discussion on our OEM Cooperation Terms.

Q4: Is your car paint suitable for our weather?

A: Our car paint has undergone rigorous testing both nationally and in overseas markets. Moreover, we can customize the formula to ensure optimal performance in various climate conditions.

Q5: Can you produce customized colors?

A: Yes, we can. Provide us with a color sample, or alternatively, share a picture for reference, and we'll tailor the color to your specifications.

Q6: What free advertising materials do you provide if I place an order? How many pieces are given for free?

A: With your order, we offer an array of complimentary advertising materials, including mixing machines, balances/scales, spray guns, display racks, T-shirts, caps, CDs, posters, tinting maps, TDS (Technical Data Sheets), color reference cards, mixing rulers, and more. The quantity of free items is determined based on your order amount, ensuring you have the tools to showcase our premium automotive coatings.
