Product Description

SAIC Volkswagen Magotan 2019 Models Phantom Black Automotive Paint with Standard Depth

Phantom Black Color: Highly restored FAW-Volkswagen Phantom Black car paint, it is a unique black color named after its deep and mysterious appearance. Its hue appears a deep black when held in light, with a subtle metallic sheen.

High reducibility: Meklon's specially formulated automotive paint has high reducibility and can accurately restore the original color of FAW-Volkswagen Phantom Black. Engineers use precise color matching and formula to ensure that the paint perfectly matches the original car color, making the painted vehicle look like it came from the factory.

Color stability: High-reduction FAW-Volkswagen Phantom Black automotive paint has good color stability. It uses high-quality pigments and coatings and undergoes rigorous testing and quality control to ensure color durability and consistency. This means the color remains vibrant and stable even with prolonged use and exposure to UV rays.
