Top-Selling 2K Automotive Refinish Car Paint Color Coating Paint

Main Features:

Discover our top-notch Automotive Refinish Paint series, featuring the High Hardness 2K Auto Spray Paint, designed for professional results in auto refinishing projects.

With a medium to high solid content, our paint ensures exceptional durability and weather resistance, delivering a long-lasting, high-gloss finish. Crafted for ease of application, it offers excellent coverage and vibrant colors.

Our 1K Paint range provides a high-quality base coat system, available in silver, pearl, or solid colors. Experience outstanding metallic effects and superior coverage for flawless results.

Choose from our Clear Coat options, including economic, standard, and high-solid content varieties, each offering superior protection, durability, and brightness. Achieve crystal-clear, smooth finishes with ease.

Enhance your projects with our premium Hardeners, boasting anti-yellowish properties and available in economic, standard, and high-solid content models. They ensure optimal performance for 2K tinters, ready-mixed paint, and clear coats.

Our Thinner selection, available in fast dry, standard, and slow dry types, facilitates optimal dissolution and promotes bonding. Ideal for use in various automotive paint applications, including 2K paint, clear coat, and primers.

Explore our comprehensive range of Automotive Refinish Paint additives, meticulously formulated to meet the diverse needs of professional auto painters. Elevate your finishing standards with our industry-leading solutions.

Why Choose Our Car Refinish Paint:

Proven Manufacturing Excellence:

Benefit from over 16 years of dedicated experience in crafting high-quality car refinish paint, showcasing our commitment to unmatched expertise.

Global Recognition:

Our products have gained global acclaim, being exported to over 80 countries. This international presence underscores our dedication to delivering quality on a worldwide scale.

Uncompromising Quality Standards:

Rest assured that our commitment to quality is unwavering. We proudly hold certifications such as ISO9001, REACH, TUV, Factory Audit, and SASO, ensuring our products consistently meet and exceed global benchmarks.

Punctual and Reliable Delivery:

Experience the reliability of on-time delivery. Our professional Research and Development (R&D) team, coupled with dedicated sales services, guarantees customer satisfaction through timely deliveries.

Tailored Solutions for You:

Embrace a customer-centric approach with our range of customized products. We understand the unique needs of our clients and provide tailored solutions for a refined and personalized car refinishing experience.

Product Code & Name	MK-202 2K Tinting rose red
Product Description	Acrylic single-component basecoat
Color Description	Brownish red, purplish red on the front and darker on the sides
Package cans	1L round, 4L round cans
Package cartons	1L*12 (carton size: 45*35*15cm) 4L*4 (carton size: 35*35*20cm)
Solid content	2.5%
Viscosity (T-4 cup) at 25	240s-300s
