Basic Information

- Place of Origin: China
- Brand Name: Meklon
- Certification: ISO,MSDS,SGS
- Model Number: C-312
- Minimum Order Quantity: 200Boxes
- Price: 2.73USD/L-5.56USD/L
- Packaging Details: Carton
- Delivery Time: 10-15 Work Day
- Payment Terms: T/T
- Supply Ability: 500 boxes per day

Product Specification

- Brand: Meklon
- Color: Green Pearl
- Code: C-313
- Color Level: Good Coverage,High Gloss
- Dry Film Thickness: 1.5-2.0 Mills
- Finish: Glossy
- Main Raw Materials: Acrylic Resin, Polyurethane Resin
- Net Weigh: 0.95KG
- Shelf Life: 2 Years
- Shelf Time: 2 Years,at 20
- Specification: 1Lx12
- Highlight: Long Lasting Car Paint Basecoat,
Car Paint Basecoat 1K

Product Description

1K Green Pearl Basecoat For Long-Lasting Car Paint Basecoat

As a premier Chinese automotive paint manufacturer established in 2014, we celebrate a decade of innovation and excellence in the industry. With a 10-year track record, our company has become synonymous with cutting-edge solutions and unparalleled quality in automotive coatings.

Boasting a robust team of seasoned professionals, our organization is structured into comprehensive departments including Research & Development, Production, Sales, and After-Sales Service - each dedicated to delivering excellence and customer satisfaction.

Our R&D division is a powerhouse of talent, featuring experts formerly of PPG Industries, who bring with them a wealth of knowledge, years of hands-on experience, and a legacy of significant contributions to automotive paint technology. Their expertise spans the full spectrum of color science, advanced coating formulations, and eco-friendly innovations in high-performance vehicle finishes.

With their guidance, we've mastered an array of key automotive paint products, such as high-gloss clearcoats, UV-resistant topcoats, scratch-resistant paints, quick-dry basecoats, and customizable color-matching solutions. These advancements fortify our commitment to providing customers with durable, vibrant, and aesthetically pleasing paint options that not only meet but exceed industry standards.

At our state-of-the-art production facility, every can of paint is a testament to our dedication to quality and sustainability. We employ green manufacturing processes that minimize environmental impact while maximizing product longevity and aesthetic appeal.

In the realm of sales and after-sales service, we take pride in forging strong relationships with our clients, offering detailed technical support, and ensuring that our aftercare services enhance the longevity and brilliance of every vehicle coated with our products.

As we drive forward into the next decade, we remain committed to being at the forefront of automotive paint innovation, delivering a portfolio of products that resonate with the needs of modern vehicles and the evolving aspirations of our clients.

Product Details:

1K Young Green Prael stands out as a dynamic and lively automotive paint, utilizing cutting-edge formulations and pigment technology to deliver striking and vibrant green tones. Tailored for automotive enthusiasts, this color is designed to captivate on the road, providing a distinctive appearance for vehicles.

Renowned for its top-notch products, Meklon company's 1K Young Green Prael automotive paint maintains the brand's reputation for excellence. Employing a 1K (two liquid) formula, comprising paint and hardener, this innovative design ensures a robust paint film with heightened hardness and durability. The result is exceptional resistance to scratches and chemicals,

ensuring a long-lasting finish.

The attributes of 2K Young Green Prael can be aptly described as trendy, youthful, and energetic. With its unique green shade, this paint exudes freshness and confidence, making it an ideal choice for vehicle owners seeking to personalize their rides. Beyond aesthetics, the color adds a touch of special charm to the vehicle, showcasing the owner's personality and refined taste.

Meklon company goes the extra mile by offering customized services, allowing customers to tailor the brand, quality, and other specifications according to their automotive paint needs.
