Total:100g			
Recipe weight:100g			

Audi LX7R Monsoon Gray car refinishing paint is specially developed for the Audi brand's LX7R Monsoon Gray model. Our team of engineers use in-depth research and precise formulas to ensure that the refinishing paint perfectly matches the original paint surface and provides a satisfactory repair effect.

**Accurate match:** Our engineers conducted careful research and color analysis on the Audi LX7R Monsoon Gray model to ensure that the refinished paint perfectly matches the original paint, eliminating any color differences or incongruities.

**Durability:** Using high-quality raw materials and advanced formulations, our refinishes offer exceptional durability and resistance to fading. It stands up to daily use and environmental factors, maintaining color and shine for long periods of time.

**EASY TO APPLY:** Our Audi LX7R Monsoon Gray Automotive Refinish Paint is designed to be easy to use, making the repair process simpler and more efficient. Whether you're a professional technician or a car owner, it's easy to use our refinishing paints for precise repairs.

**Compatibility:** Our refinishes are suitable for use on a variety of surface materials, including metals, plastics, composites and more. It integrates perfectly with different parts of the vehicle to ensure a consistent and seamless repair.

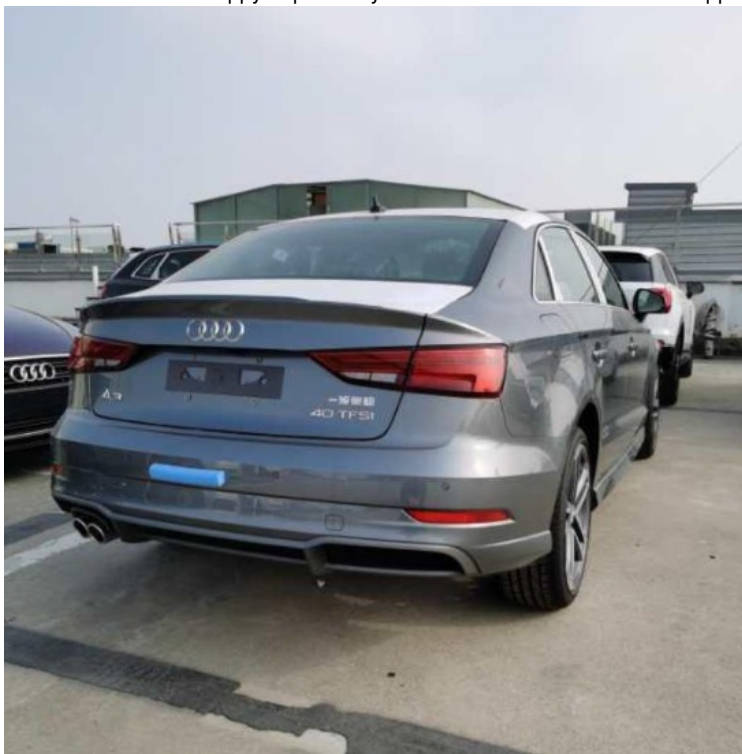

**Quality Control:** Our factory has advanced production equipment and strict quality control system. Our team of engineers will conduct strict inspection and testing on each batch of Audi LX7R Monsoon Gray automotive refinishing paint to ensure product consistency and quality.

**Environmental awareness:** We actively advocate sustainable development and environmental protection. Therefore, our Audi LX7R Monsoon Gray car refinishing paint complies with the latest environmental standards, contains no harmful substances and is environmentally friendly.

Our team of engineers constantly strives to innovate and is committed to providing the highest quality refinishing products. Our Audi LX7R Monsoon Gray car refinishing paint will provide your Audi vehicle with an excellent restoration result, restoring its

original appearance and value.

If you are interested in our Audi LX7R Monsoon Gray car refinishing paint or have any questions, please feel free to contact us. Our team will be happy to provide you with further information and support.

### Repair construction:

**Cleaning:** Use car detergent and water to thoroughly clean the vehicle surface to ensure it is clean and free of dust, dirt or other impurities.

**Grinding:** Use sandpaper or a grinding machine to smooth the paint in the damaged area flush with the surrounding paint. Be careful not to wear away too much of the paint during the grinding process.

**Filling:** Use appropriate filler to fill the dents or scratches after grinding to ensure a smooth surface.

**Prime:** Spray the repaired area with an appropriate primer to provide adhesion to the paint surface.

**Painting:** Spray the repaired area with a paint finish that matches the original color of the vehicle. When painting, pay attention to spraying evenly and making a transition with the surrounding paint surface so that the repair area and the entire vehicle surface are seamlessly connected.

**Varnish/Clear Coat:** After applying the paint, spray it with a clear varnish to protect the paint and improve its gloss.
