## Product Description

### Meklon Toyota 1E9 Auto Paint Advanced Technology And Exquisite Craftsmanship

#### Manufacturer Introduction:

Meklon is an excellent automobile paint manufacturer. The automobile paint manufacturing plant covers an area of 3,000 square meters. It is a modern production base integrating innovation, efficiency and quality. Meklon has research department, testing department, production department, sales department, after-sales department, etc. The production is strict and orderly, with monthly sales of 10 containers. Auto paint dealers and auto repair shops from all over the world like it.

In the field of car beauty and protection, Meklon has always been committed to the innovation and development of car paint. It has highly official car paints of various models and various colors of various models, its own mixing formula system, color cards, tinting guides, and its car paint finished paints are a combination of advanced technology and exquisite craftsmanship.

#### Product Introduction:

We are a car paint manufacturer. Our independent team of engineers developed Toyota 1E3 car touch-up paint. After many tests and effect comparisons, this car paint was finally completed.

Toyota 1E3 paint is known for its perfect color matching. There is almost no color difference, ensuring that the repair area of the vehicle blends seamlessly with the original paint. This is essential to achieve a professional and beautiful effect, which is deeply loved by car spray painters.

Toyota 1E3 car touch-up paint is made of high-quality materials that can withstand the rigors of daily use and exposure to the elements. The paint is very durable and not easy to fade, chip and peel, providing long-lasting protection for the vehicle.

This paint has excellent fluidity. It spreads evenly and smoothly on the surface to form a beautiful, flat surface. This not only enhances the appearance of the vehicle, but also makes the painting process easier and more efficient.

In addition, it is very easy to spray. Both professional painters and DIY enthusiasts will find this paint easy to use and consistent. Its sprayability makes it quick and easy to apply, saving time and effort. And its shelf life is very long, the shelf life is 2-5 years, it can be stored in a ventilated, dry and cool place.

#### Mixing Tinting Guide:

Toyota 1E9				
code	name	Proportion	price	Amount
403	Fine silver	14.90%		0.00
311	Fine blue pearl	22.03%		0.00

104	1K pure black	46.32%		0.00
111	1K brilliant blue	2.53%		0.00
131	1K rose red	1.98%		0.00
125	1K bright red	0.32%		0.00
150	1K color control agent	0.58%		0.00
total		100.00%		0.000

#### Car care paint advantages:

**Quality:** Meklon's automotive coatings are well known for their superior quality. Meklon is carefully developed and manufactured to provide excellent coating results and long-term durability. Products undergo strict quality control to ensure compliance with industry standards and meet the high demands of customers.

**Competitive prices:** Meklon's automotive coatings are reasonably priced, and through effective production and supply chain management, the company is able to provide cost-effective products to meet customer needs and remain competitive in the market.

**Complete supporting system:** Meklon's automotive coatings have a complete supporting system for finished paint products, providing a variety of models and colors, and there are supporting formula software. Comprehensive solutions can be provided, including high-precision coating color matching, coating process support, technical training and after-sales service. Our automotive refinishing company is committed to building long-term relationships with customers, providing them with full support and assistance to ensure that they get the best results when using our products.

#### Feedback from a car paint dealer in Mexico:

As someone who has been in the automotive paint wholesale industry for many years, I have been looking for a high-quality and stable automotive paint supplier. Since cooperating with Meklon, I have completely solved this problem.

Meklon's automotive refinish paint has rich and accurate colors, it is also very durable and has quality assurance.

Not only that, Meklon's service is also excellent, their technical support team is always able to answer our questions in a timely manner and provide professional painting suggestions. This has greatly improved our business. I have grown from a small shop to a large one. Now we have been cooperating for nearly 10 years. My business has become one of the top 100 in our country. Now I import 2 containers from Meklon every month.

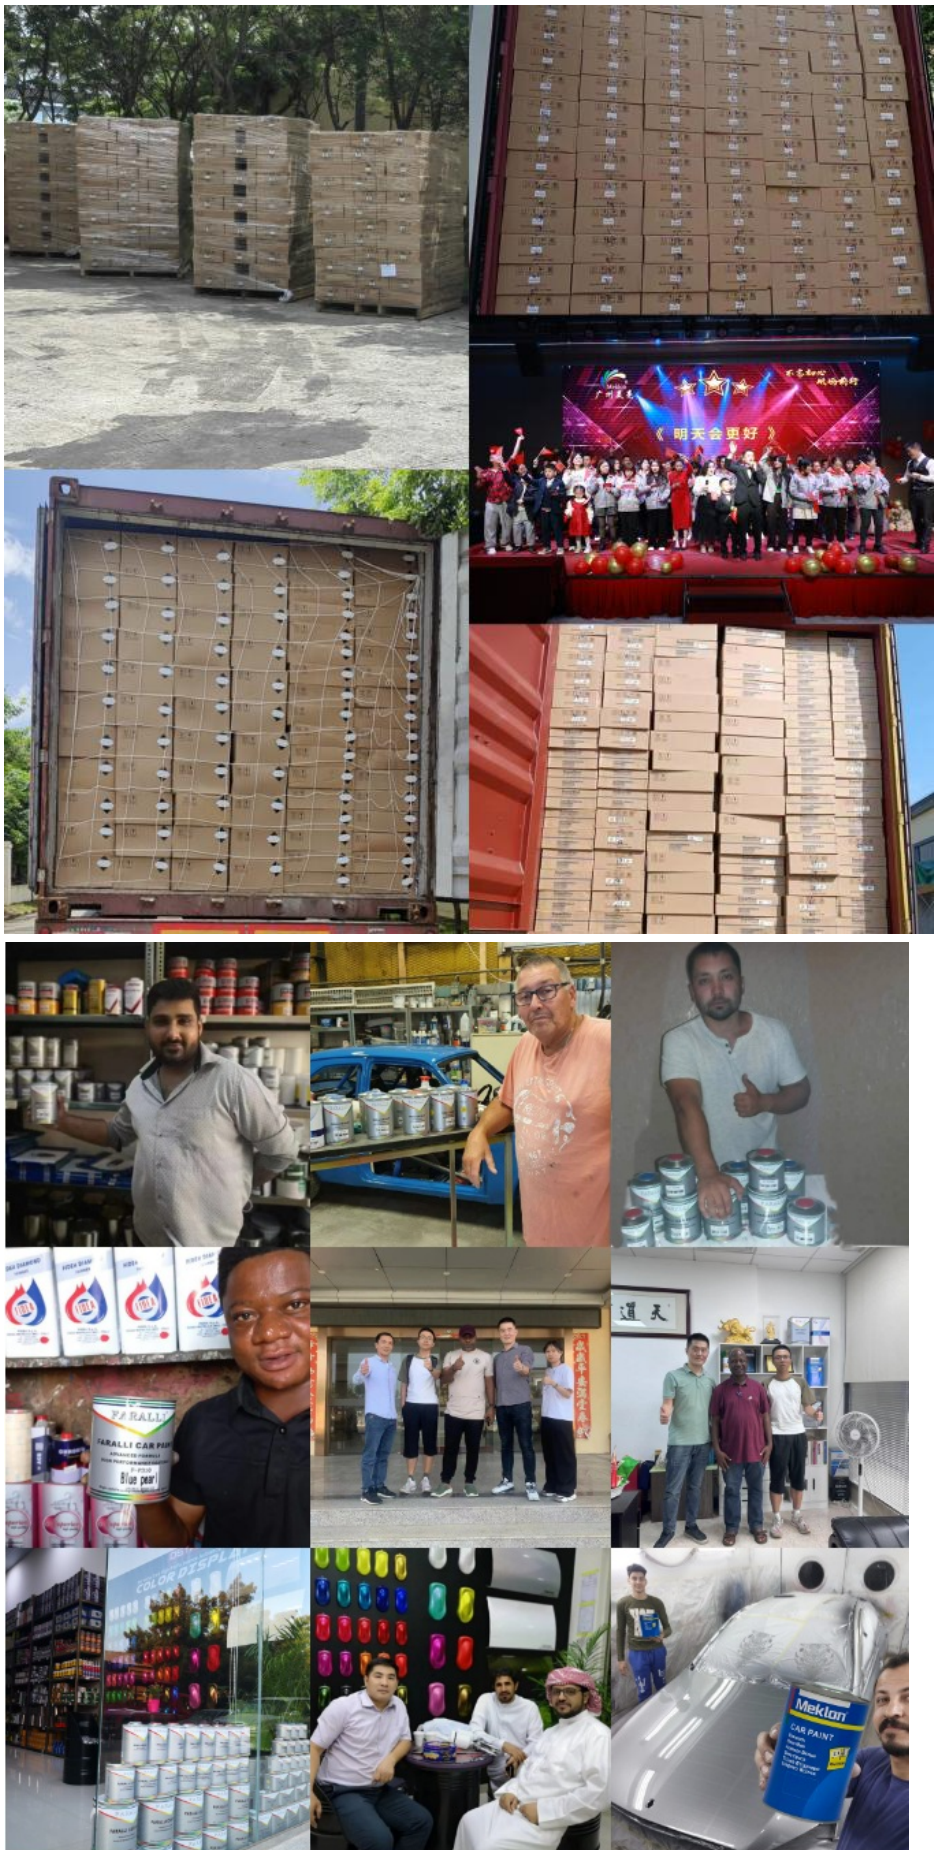

I believe that as long as I continue to cooperate with Meklon, my business will definitely get better and better.

#### Feedback from a customer from Iraq:

Meklon's car paint is affordable and of good quality. We use their cost-effective car paint instead of expensive products from big brands, which makes us gain a lot of profit and makes our business better and better.

I will trust Meklon for a long time and cooperate with Meklon for a long time!
