

High Quality 2K Paint Supplier Acrylic Automotive Refinish Car Paint

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Meklon
- Certification: ISO,MSDS,SGS
- Model Number: 110
- Minimum Order Quantity: 200L
- Price: 4.76USD/L-5.39USD/L
- Packaging Details: Carton
- Delivery Time: 10-15 Work Day
- Payment Terms: T/T
- Supply Ability: 500 boxes per day

Product Specification

- Brand: Meklon
- Color: Champagne Gold
- Code: 112
- Net Weight: 0.95
- Drying Time: 2-3 Hours
- Durability: High
- Heat Resistance: Good
- Product Name: Ready Mixed Car Paint
- Weather Resistance: Good
- Application Method: Brush/Roller/Spray
- Highlight: 2K Paint Supplier, High Quality 2K Paint, Acrylic Refinish Car Paint

Product Description

High Quality 2K Paint Supplier Acrylic Automotive Refinish Car Paint

Product Introduction:

Meklon's Standard Blue Automotive Paint: A Benchmark in Quality and Elegance

Meklon's Standard Blue automotive paint exudes a sophisticated and luxurious appearance. This shade is a masterful blend of cool tones infused with a subtle metallic luster, creating a distinctive and captivating visual statement.

Quality and Durability: Meklon's automotive refinishing paints are celebrated for their exceptional durability. The Standard Blue paint is engineered to withstand various environmental elements, guard against fading, and retain its vibrant shine over time. The paint's formula adheres seamlessly to vehicle surfaces, ensuring a smooth, even finish that resists chipping and scratching.

Visual Enhancement: The metallic particles within this paint add depth and dimension, amplifying the visual appeal. The Standard Blue color captures light with a nuanced shimmer and sparkle, giving the vehicle a dynamic and attractive look.

Versatility: Meklon's Standard Blue automotive paint is suitable for a broad range of vehicles, including sedans, SUVs, and other types, allowing each to exhibit unique styles and personalities.

Storage and Shelf Life: This paint demands proper care, with regular washing, polishing, and the application of protective films to maintain its gloss and durability. Meklon's Standard Blue automotive paint boasts a shelf life of 3-5 years and should be stored in a well-ventilated, dry, and cool place.

Popularity and Sales Volume: Our Standard Blue car paint is highly favored by many dealers globally. With its superior quality, excellent finish, affordable pricing, and ease of application, it has become a favorite among auto repair shop painters. We export 5000L per month to auto repair paint dealers worldwide, indicating a substantial demand for our product.

Car care paint advantages:

Excellence in Coating Quality:

Meklon's automotive coatings are renowned for their exceptional quality. Meticulously developed and manufactured, our coatings deliver outstanding results and enduring durability. We maintain stringent quality control measures to ensure our products not only adhere to industry standards but also exceed our customers' expectations.

Affordability and Value:

Offering competitive pricing, Meklon's automotive coatings are accessible and budget-friendly. Our efficient production processes and supply chain management enable us to offer cost-effective solutions that cater to our customers' needs while keeping us at the forefront of the market.

Comprehensive Support Infrastructure:

Meklon's automotive coatings are backed by a robust support system for finished paint products. We offer an extensive range of models and colors, along with formula software to assist in the customization process. We provide comprehensive solutions that include precise color matching, process support, technical training, and after-sales service. Our commitment to our customers extends to fostering long-term partnerships, ensuring they receive comprehensive support and assistance to achieve optimal results with our products.
