

Easy Sanding 1k Red Color Acrylic Polymer Car Refinish Automotive Paint

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Meiguanda
- Certification: ISO,MSDS,SGS
- Model Number: 217
- Minimum Order Quantity: 200L
- Price: 2.73/LUSD-5.56/LUSD
- Packaging Details: Box/Carton
- Delivery Time: 10-15 Work Day
- Supply Ability: 200Lper day

Product Specification

- Code: 217
- Name: Red
- Storage: Store In A Cool, Dry Place
- Application Method: Brush, Roller, Or Spray
- Weather Resistance: All-weather
- Scratch Resistance: High
- Voc Level: Low
- Recommended Use: Interior/Exterior
- Color: Clear
- Easy To Clean: Yes
- State: Liquid Coating
- Package: Can And Carton
- Cleanup: Soap And Water
- Heat Resistance: Yes
- Coats Required: 2-3

Product Description

Easy Sanding 1k Red Color Acrylic Polymer Car Refinish Automotive Paint

Meklon: A Leading Automotive Refinish Paint Manufacturer

Meklon is a renowned automotive paint manufacturer based in China. Our state-of-the-art 3,000-square-meter facility is equipped with advanced technology and cutting-edge equipment to deliver high-quality products.

Comprehensive Product Range

Our comprehensive product range includes:

1K and 2K Basecoats: A wide variety of colors to match any vehicle.

Clear Coats: Durable and high-gloss finishes to protect your vehicle's paint.

Hardeners and Thinners: Essential components for optimal paint performance.

Primers: A range of primers for various surface preparation needs.

Body Filler and Putty: For repairing body damage and creating smooth surfaces.

Environmental Commitment

We are committed to sustainable manufacturing practices. Our advanced exhaust gas treatment system minimizes environmental impact, ensuring a cleaner and greener production process. We source high-quality, eco-friendly raw materials to deliver products that meet stringent environmental standards.

Customer Satisfaction

Our dedicated team is committed to providing exceptional customer service and support. We offer technical expertise, color matching assistance, and timely delivery to ensure customer satisfaction.

Meklon: Your Partner for High-Quality Automotive Refinish Paints

A Legacy of Excellence

Meklon is a leading manufacturer of premium automotive refinish paints. Our commitment to quality, innovation, and environmental sustainability has made us a trusted choice for professionals and DIY enthusiasts alike.

Introducing Our 2K Vibrant Red Automotive Refinish Paint

Our 2K Vibrant Red automotive refinish paint delivers a stunning, high-performance finish. This vibrant hue is formulated to elevate the appearance of any vehicle.

Key Features and Benefits:

Dazzling Color: Our advanced pigment technology delivers a deep, rich red color that captivates the eye.

Superior Durability: Our 2K formula ensures exceptional resistance to scratches, chips, fading, and weathering.

Excellent Leveling Properties: Achieve a flawless, mirror-like finish with minimal orange peel and other imperfections.

Easy Application: Our user-friendly formulation is designed for efficient application, reducing labor time and material waste.

Environmental Friendliness: Our low-VOC formula minimizes environmental impact and promotes sustainable practices.

A Commitment to Quality and Sustainability

At Meklon, we prioritize environmental responsibility. Our state-of-the-art manufacturing facility incorporates energy-efficient technologies and advanced waste management systems. Our products are certified to meet stringent environmental standards, including ISO 14001 and GREENGUARD.
