

High Coverage Orange Red 2K Auto Color Repair Refinish Spray Mixing Machine Automotive Paint

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Meklon
- Certification: ISO,MSDS,SGS
- Model Number: P-223
- Minimum Order Quantity: 200L
- Price: 2.73/LUSD-5.56/LUSD
- Packaging Details: Carton
- Delivery Time: 10-15 Work Day
- Payment Terms: T/T
- Supply Ability: 200Lper day

Product Specification

- Brand: Meklon
- Name: High Density Orange Red
- Specification: 1Lx12
- Package: Can And Carton
- Net Weight: 1.2KG
- Application: Brush, Roller, Or Spray
- Coverage: High
- Durability: Long-lasting
- Fade Resistant: Yes
- Heat Resistance: Yes
- State: Liquid Coating
- Type: Automotive Paint
- Voc: Low
- Highlight: High Coverage Repair Refinish Spray, 2K Auto Color Repair Refinish Spray, Automotive Paint Refinish Spray

Product Description

High Coverage orange red 2K Auto Color Repair Refinish Spray Mixing Machine Automotive Paint

Supply manufacturer introduction: With headquarters in Guangzhou and a production facility in Shaoguan, Meklon is committed to providing sustainable automotive coatings solutions. Our 3,000-square-meter production plant is equipped with advanced technology to ensure minimal environmental impact while delivering premium quality products that meet our customers' evolving needs.

Meklon: A Commitment to Quality and Innovation

Meklon's state-of-the-art manufacturing facility is equipped with advanced production equipment and a robust production process. Our dedicated team of over 100 skilled operators ensures efficient and precise production at every stage, from raw material procurement to finished product packaging.

Innovation at the Core

Our 20-strong R&D team, comprised of experienced engineers, is committed to pushing the boundaries of automotive paint technology. By leveraging advanced research techniques and industry best practices, we consistently develop innovative products that deliver exceptional performance and aesthetics. Our rigorous color matching process boasts a remarkable 98% accuracy rate, ensuring precise color replication for a wide range of vehicles.

Through our unwavering focus on quality, innovation, and customer satisfaction, Meklon has established itself as a leading provider of automotive paint solutions.

Meklon: Elevating Automotive Finishes

A Legacy of Expertise

Meklon boasts a team of seasoned engineers with over 30 years of experience in the automotive paint industry. Their deep understanding of paint technology and industry best practices ensures that our products are of the highest quality.

Innovative Solutions

Our advanced color matching software and expert technical support empower our customers to achieve precise color formulations. We are dedicated to providing comprehensive after-sales service, addressing any queries or concerns promptly.

State-of-the-Art Facilities

Our 500-square-meter warehouse is meticulously maintained to ensure the safe storage of our products. Our team conducts regular inspections to guarantee the quality and availability of our inventory.

Tailored Solutions

Meklon offers comprehensive OEM services. We can customize our products to meet your specific brand requirements. Simply provide us with your design specifications, and our team of experts will work with you to create a unique solution.

A Commitment to Excellence

By choosing Meklon, you're choosing a partner committed to delivering exceptional quality, innovative solutions, and unparalleled customer service. We are dedicated to providing high-performance automotive paints that enhance the beauty and durability of vehicles worldwide.
