

## 1K 2K Tinter Automotive Paint Mixing Machine With Mixing Lids For Car Paint Mixing Refinish Coating

### Our Product Introduction

#### Basic Information

- Place of Origin: China
- Brand Name: Meklon
- Certification: ISO,MSDS,SGS
- Model Number: P-219
- Minimum Order Quantity: 200L
- Price: 4.64USD/L-6.92USD/L
- Packaging Details: Carton
- Delivery Time: 10-15 Work Day
- Payment Terms: T/T
- Supply Ability: 500L per day

#### Product Specification

- Brand: PORSHICHE
- Name: Iron Red
- Net Weight: 0.95KG
- Cleanup: Soap And Water
- Coats Required: 2-3
- Coverage: 10-12 Sq Ft/quart
- Dry Time: 1-2 Hours
- Indoor/Outdoor: Indoor And Outdoor
- UV Resistant: Yes
- VOC: Less Than 50 G/L
- Waterproof: Yes
- Highlight: 2K Automotive Paint Mixing Machine,  
1K Automotive Paint Mixing Machine,  
Car Paint Mixing Machine

## Product Description

### Meklon's Fiery Iron Red: A Bold Statement

Meklon's Fiery Iron Red automotive paint delivers a striking, high-performance finish. This vibrant, eye-catching color is formulated to elevate the appearance of any vehicle.

**Key Features and Benefits:**

**Intense Color:** Our advanced pigment technology delivers a deep, rich red hue that captivates the eye.

**Superior Durability:** Our 2K formula ensures exceptional resistance to scratches, chips, fading, and weathering.

**Excellent Weather Resistance:** Withstand the harshest weather conditions, including UV radiation, temperature fluctuations, and inclement weather.

**Smooth, High-Gloss Finish:** Achieve a flawless, mirror-like finish with our superior leveling properties.

**Easy Application:** Our user-friendly formulation is designed for efficient application, even for DIY enthusiasts.

**Environmental Friendliness:** Our low-VOC formula minimizes environmental impact and promotes sustainable practices.

**Professional-Grade Performance**

Our 2K formula offers several advantages over traditional single-component paints:

**Faster Drying Times:** Significantly reduces repair time and increases productivity.

**Enhanced Durability:** Provides superior resistance to scratches, chips, and chemical damage.

**Superior Gloss Retention:** Maintains a long-lasting, high-gloss finish.

**Improved Color Accuracy:** Ensures precise color matching and consistent results.

**A Commitment to Quality and Innovation**

Meklon is dedicated to providing high-quality products and exceptional customer service. Our rigorous quality control processes and continuous research and development efforts ensure that our paints meet the highest industry standards. With our detailed color formulas and technical support, you can achieve professional-quality results, every time.

Elevate your vehicle's appearance with Meklon's Fiery Iron Red automotive refinish paint.

### Polishing technology:

Meklon's commitment to quality is evident in our meticulous attention to detail. By carefully controlling the size, shape, and distribution of pigment particles, we achieve superior paint finishes with exceptional smoothness and uniformity.

### Advanced Application Techniques:

We utilize state-of-the-art electrostatic spraying technology to ensure precise and efficient paint application. This technology optimizes paint distribution, resulting in a flawless finish with enhanced coverage and reduced overspray.
