

## Black Car Paint Top Coat With Advanced Facilities Strong Adhesion Auto Painting

### Our Product Introduction

#### Basic Information

- Place of Origin: China
- Brand Name: Carcharm
- Certification: ISO,MSDS,SGS
- Model Number: 237
- Minimum Order Quantity: 200L
- Price: 2.73/LUSD-5.56/LUSD
- Packaging Details: Box/Carton
- Delivery Time: 10-15 Work Day
- Supply Ability: 200Lper day

#### Product Specification

- Code: 237
- Name: Black
- Storage: Store In A Cool, Dry Place
- Application Method: Brush, Roller, Or Spray
- Weather Resistance: All-weather
- Scratch Resistance: High
- Voc Level: Low
- Recommended Use: Interior/Exterior
- Color: Clear
- Easy To Clean: Yes
- State: Liquid Coating
- Package: Can And Carton
- Cleanup: Soap And Water
- Heat Resistance: Yes
- Coats Required: 2-3

## Product Description

### Black Car Paint Top Coat With Advanced Facilities Strong Adhesion Auto Painting

#### Manufacturer Introduction:

Meklon is a leading manufacturer of high-quality automotive coatings, based in China. Our state-of-the-art 3,000-square-meter facility is equipped with advanced technology and machinery to deliver exceptional products.

#### Comprehensive Product Range

Our extensive product line includes:

1K and 2K Basecoats: A wide range of colors to match any vehicle.

Clear Coats: Durable and high-gloss finishes to protect your vehicle's paint.

Hardeners and Thinners: Essential components for optimal paint performance.

Primers: A range of primers for various surface preparation needs.

Body Filler and Putty: For repairing body damage and creating smooth surfaces.

#### Environmental Commitment

We are committed to sustainable manufacturing practices. Our advanced exhaust gas treatment systems minimize our environmental impact, ensuring a cleaner and greener production process. By utilizing high-quality, eco-friendly raw materials, we deliver products that meet stringent environmental standards.

#### Customer Satisfaction

Our dedicated team is committed to providing exceptional customer service and support. We offer technical expertise, color matching assistance, and timely delivery to ensure customer satisfaction.

### Product Description:

#### Meklon's 2K Deep Black: A Timeless Elegance

Meklon's 2K Deep Black automotive refinish paint delivers a stunning, high-performance finish. This vibrant, eye-catching color is formulated to elevate the appearance of any vehicle.

#### Key Features and Benefits:

**Dazzling Color:** Our advanced pigment technology delivers a deep, rich black hue that captivates the eye.

**Superior Durability:** Our 2K formula ensures exceptional resistance to scratches, chips, fading, and weathering.

**Excellent Weather Resistance:** Withstand the harshest weather conditions, including UV radiation, temperature fluctuations, and inclement weather.

**Smooth, High-Gloss Finish:** Achieve a flawless, mirror-like finish with our superior leveling properties.

**Easy Application:** Our user-friendly formulation is designed for efficient application, even for DIY enthusiasts.

**Environmental Friendliness:** Our low-VOC formula minimizes environmental impact and promotes sustainable practices.

#### Professional-Grade Performance

Our 2K formula offers several advantages over traditional single-component paints:

**Faster Drying Times:** Significantly reduces repair time and increases productivity.

**Enhanced Durability:** Provides superior resistance to scratches, chips, and chemical damage.

**Superior Gloss Retention:** Maintains a long-lasting, high-gloss finish.

**Improved Color Accuracy:** Ensures precise color matching and consistent results.

#### A Commitment to Quality and Innovation

Meklon is dedicated to providing high-quality products and exceptional customer service. Our rigorous quality control processes and continuous research and development efforts ensure that our paints meet the highest industry standards. With our detailed color formulas and technical support, you can achieve professional-quality results, every time.
