

Car Paint Tinting Machine 1K Basecoat Pearl Colors Crystal Red Coating Metallic Automotive Spray Paint

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Meklon
- Certification: ISO,MSDS,SGS
- Model Number: X03
- Minimum Order Quantity: 200L
- Price: 2.73USD/L-5.56USD/L
- Packaging Details: Box/Carton
- Delivery Time: 10-15 Work Day
- Payment Terms: T/T
- Supply Ability: 500L per day

Product Specification

- Name: Red Pearl
- Code: X03
- Voc Level: Low
- Recoat: 2 Hours
- Fade Resistant: Yes
- Type: Top Coat
- Net Weight: 0.95KG
- Chemical Resistance: Yes
- Number Of Coats: 2
- Heat Resistance: Yes
- Color: Clear
- Drying Time: 30 Minutes
- Protection: UV-resistant
- Sheen: High Gloss
- Uv Resistance: Yes

Product Description

Car Paint Tinting Machine 1K Basecoat Pearl Colors Crystal Red Coating Metallic Automotive Spray Paint

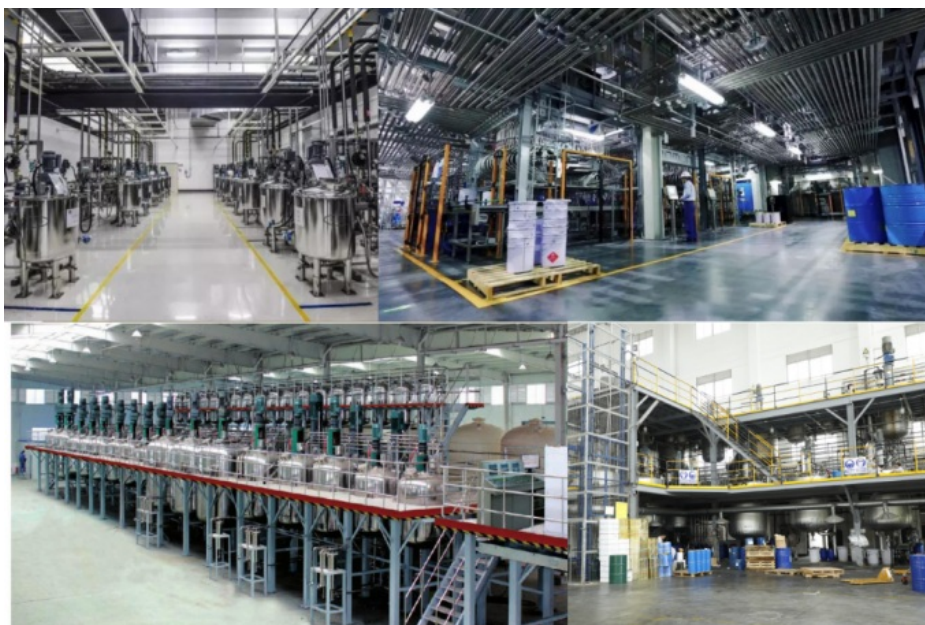

Manufacturer introduction: Welcome to Meklon's state-of-the-art automotive paint manufacturing plant in Guangzhou, China. Our expansive facility, equipped with advanced technology and machinery, is dedicated to producing high-quality automotive paint products.

Quality is paramount at Meklon. Our state-of-the-art laboratory conducts rigorous testing on raw materials, intermediate products, and finished goods. Every batch of paint undergoes multiple quality checks to ensure it meets our exacting standards.

Meklon is committed to environmental sustainability. We employ advanced technologies to minimize our environmental impact and actively seek eco-friendly solutions.

Our skilled team, from R&D engineers to production line workers, is dedicated to delivering exceptional automotive paint products. We can cater to diverse needs, from large-scale manufacturing to small-scale repairs, ensuring timely and reliable supply.

Red car refinish paint introduction:

A Timeless Classic: Red Automotive Paint

Red is a bold and passionate color choice for a vehicle, exuding energy and excitement. From the fiery intensity of a deep crimson to the vibrant energy of a bright scarlet, red offers a wide range of tones to suit diverse tastes.

Meklon's red automotive paint is crafted with premium materials and advanced formulations, ensuring exceptional adhesion, durability, and weather resistance. It effectively shields your vehicle from daily wear and tear, scratches, and chemical damage, preserving its pristine appearance for years to come.

Committed to environmental sustainability, Meklon's red paint is formulated with low VOC content, meeting stringent environmental standards. This ensures a healthier environment for you and future generations.

We offer competitive pricing without compromising on quality, providing excellent value for your investment.

Meklon's red automotive paint delivers superior performance in various weather conditions. Whether it's the scorching summer heat or the frigid winter cold, the paint maintains its vibrant color and flawless finish. Its exceptional leveling properties ensure a smooth and even coat, enhancing the overall aesthetic appeal of your vehicle.
