

Professional Production- Automotive Paint Yellow Car Auto Spray Ceramic Paint Car Auto Body Paint

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Meklon
- Certification: ISO,MSDS,SGS
- Model Number: 2113
- Minimum Order Quantity: 50L
- Price: 2.73USD/L-5.56USD/L
- Packaging Details: Box/Carton
- Delivery Time: 7-15 Work Day
- Payment Terms: T/T
- Supply Ability: 500L per day

Product Specification

- Name: Yellow
- Voc Level: Low
- Recoat: 2 Hours
- Fade Resistant: Yes
- Type: Top Coat
- Net Weight: 0.95KG
- Chemical Resistance: Yes
- Number Of Coats: 2
- Heat Resistance: Yes
- Color: Clear
- Drying Time: 30 Minutes
- Protection: UV-resistant
- Sheen: High Gloss
- Uv Resistance: Yes
- Highlight: Professional Wholesale Automotive Paint,

Product Description

Professional Wholesale Automotive Paint Yellow Car Auto Spray Ceramic Paint Car Auto Body Paint

Quality is the cornerstone of Meklon's operations. Our cutting-edge laboratory rigorously tests each stage of the production process, from raw materials to the final product. Only those that meet our stringent quality standards are deemed fit for shipment.

Meklon is a responsible corporate citizen. We invest in advanced environmental technologies to minimize our ecological footprint and promote sustainable practices.

Our team of experienced professionals is passionate about delivering excellence. From innovative R&D to precise manufacturing and rigorous quality control, we strive to exceed your expectations. Our flexible production capabilities enable us to accommodate a wide range of order sizes, ensuring timely and reliable supply.

A Bright and Bold Choice: Yellow Automotive Paint

[Yellow](#) is a vibrant and eye-catching color choice for a vehicle, exuding energy and optimism. From the sunny warmth of a soft yellow to the bold intensity of a bright canary yellow, this color offers a wide range of tones to suit diverse tastes.

Meklon's yellow automotive paint is crafted with premium materials and advanced formulations, ensuring exceptional adhesion, durability, and weather resistance. It effectively shields your vehicle from daily wear and tear, scratches, and chemical damage, preserving its vibrant appearance for years to come.

Committed to environmental sustainability, Meklon's yellow paint is formulated with low VOC content, meeting stringent environmental standards. This ensures a healthier environment for you and future generations.

We offer competitive pricing without compromising on quality, providing excellent value for your investment.

Meklon's yellow automotive paint delivers superior performance in various weather conditions. Whether it's the scorching summer heat or the frigid winter cold, the paint maintains its vibrant color and flawless finish. Its exceptional leveling properties ensure a smooth and even coat, enhancing the overall aesthetic appeal of your vehicle.

Mixing Ratio

	Temperature	Clear Coat	Hardener	Thinner
Temperature & Match	<15°C	Economic/Standard/High Solid Type Clear Coat	Economic/Standard/High Solid Type Fast Dry Hardener	Fast Dry Thinner
	15-25°C	Economic/Standard/High Solid Type Clear Coat	Economic/Standard/High Solid Type Standard Hardener	Standard Thinner
	25-35°C	Economic/Standard/High Solid Type Clear Coat	Economic/Standard/High Solid Type Slow Dry Hardener	Slow Dry Thinner
Mixing Ratio		2	1	0.2-0.5
