

Crystal Pearl Color 2K Repair Resin Manufacturer Paint Coating Automotive Refinish Car Paint

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Meklon
- Certification: ISO,MSDS,SGS
- Model Number: 220
- Minimum Order Quantity: 200L
- Price: 2.73USD/L-5.56USD/L
- Packaging Details: Box/Carton
- Delivery Time: 10-15 Work Day
- Payment Terms: T/T
- Supply Ability: 500L per day

Product Specification

- Durability: Long-lasting And Reusable
- Main Raw Materials: Resine, Solvent, Pigment, LPG
- Product Usage: Exterior Car Cleaning
- Special Features: Scratch-free And Streak-free Formula
- Colors: More Than 100 Colors
- Application Area: Chemical
- Mixer Type: Static Mixers
- Working: Agitator
- Storage: Cool And Dry Place
- Function: Cleaning
- Highlight: Crystal Pearl Color Car Paint,
2K Repair Resin Paint Coating,
Automotive Refinish Car Paint

Product Description

Crystal Pearl Color 2K Repair Resin Manufacturer Paint Coating Automotive Refinish Car Paint

Manufacturer Introduction:

Elevate your vehicle's appearance with our premium Crystal Pearl Color 2K Repair Resin. This high-build, automotive refinish paint delivers a stunning pearlescent finish with exceptional depth and luster. The 2-component epoxy formula ensures outstanding adhesion, durability, and resistance to scratches, UV rays, and chemicals. With its excellent flow and leveling properties, our paint provides a flawless finish every time. Whether you're a professional detailer or a DIY enthusiast, our Crystal Pearl paint is the perfect choice for achieving a show-quality finish.

Product Description:

Crystal Pearl Color Car Paint

This Crystal Pearl hue offers a distinctive visual impact and is highly recognizable. Under varying lighting conditions, the depth and tone of its color will shift, showcasing a rich sense of depth and conveying an impression of sophistication and elegance.

Quality and Performance:

Excellent Covering Power: It efficiently conceals surface imperfections and the underlying body color, resulting in a more uniform and smooth paint finish.

Superior Weather Resistance: It endures the daily elements of wind, sun, and rain, resisting fading or discoloration, and maintaining color vibrancy and gloss over time.

Enhanced Scratch and Wear Resistance: It possesses notable resistance to minor scratches and wear, shielding the car body surface from the wear and tear of regular use.

Applicable Models and Repairs:

Specific models of vehicles utilize this Crystal Pearl car paint.

For vehicles with scratches, dents, or other paint damages, a specialized Crystal Pearl touch-up paint product can be employed for repairs.

Touch-up paint products are typically available in two forms: brush-on and aerosol spray. Small scratches or peeling can be addressed with a brush for near-invisible repairs; for larger damaged areas, the aerosol spray is the preferred choice.

Environmental Protection:

It is a water-based automotive paint, an eco-friendly option with low volatile organic compound (VOC) content, minimizing its environmental and health impact.

In summary, Crystal Pearl car paint excels in color, quality, and applicability, standing out within the range of available automotive paint colors. However, for painting or touch-up work on your vehicle, it is advisable to select a professional auto repair shop or paint service provider to ensure optimal paint effect and quality.
