Basic Information

- Place of Origin: China
- Brand Name: Meklon
- Certification: ISO,MSDS,SGS
- Model Number: 410
- Minimum Order Quantity: 200L
- Price: 2.73USD/L-5.56USD/L
- Packaging Details: Box/Carton
- Delivery Time: 10-15 Work Day
- Payment Terms: T/T
- Supply Ability: 500L per day

Product Specification

- Durability: Long-lasting And Reusable
- Main Raw Materials: Resine, Solvent, Pigment, LPG
- Product Usage: Exterior Car Cleaning
- Special Features: Scratch-free And Streak-free Formula
- Colors: More Than 100 Colors
- Application Area: Chemical
- Mixer Type: Static Mixers
- Working: Agitator
- Storage: Cool And Dry Place
- Function: Cleaning
- Highlight: **Metallic Purple Car Paint,**
Metallic Purple Car Paint 2K

Product Description

High Gloss Liquid White Pearl Refinish Metallic Purple Car Paint Car Paint 2K Solid Color Coating Basecoat Car Paint

Manufacturer Introduction

With over two decades of experience in the automotive paint industry, we operate from a modern 3,000 square meter facility. Our comprehensive infrastructure includes state-of-the-art laboratories, dedicated R&D, production, sales, and after-sales teams, ensuring a seamless and efficient operation.

We have independently developed proprietary masterbatch charts and color cards, enabling advanced color matching across a wide range of finished paint types. Our expertise extends to specialized finished paints tailored for Russian and Kazakh models, demonstrating our commitment to meeting specific regional demands.

To further enhance efficiency, we have developed a dedicated color mixing formula software application, streamlining the process of achieving precise color matches. Our mature product line enjoys strong market demand, with monthly sales volumes exceeding 5 million, reflecting our leadership position and high customer satisfaction.

Crystal White Car Paint

This Crystal White hue offers a timeless and elegant appearance. Under varying lighting conditions, its brilliance and luminosity will shift, showcasing a rich sense of depth and conveying an impression of purity and refinement.

Quality and Performance

- **Excellent Covering Power:** It efficiently conceals surface imperfections and the underlying body color, resulting in a more uniform and smooth paint finish.
- **Superior Weather Resistance:** It endures the daily elements of wind, sun, and rain, resisting fading or discoloration and maintaining color vibrancy and gloss over time.
- **Enhanced Scratch and Wear Resistance:** It possesses notable resistance to minor scratches and wear, shielding the car body surface from the wear and tear of regular use.

Product Specifications

Paint Film Property	Scratch-resistant
HS Code	320820
Level	High
Certification	ISO4001, ISO9001, ISO16949
Substrate	Acrylic
Components	Pigment
Formation Mechanism	Non Conversion Type
Transport Package	Carton Box
Shelf life	3-5years
MOQ	50L
Carton Specification	45*33.5*13.8
Delivery	By sea

Applicable Models and Repairs

- Specific models of vehicles utilize this Crystal White car paint.
- For vehicles with scratches, dents, or other paint damages, a specialized Crystal White touch-up paint product can be employed for repairs.
- Touch-up paint products are typically available in two forms: brush-on and aerosol spray. Small scratches or peeling can be addressed with a brush for near-invisible repairs; for larger damaged areas, the aerosol spray is the preferred choice.

Environmental Protection

- It is a water-based automotive paint, an eco-friendly option with low volatile organic compound (VOC) content, minimizing its environmental and health impact.

In summary, Crystal White car paint excels in color, quality, and applicability, standing out within the range of available automotive paint colors. However, for painting or touch-up work on your vehicle, it is advisable to select a professional auto repair shop or paint service provider to ensure optimal paint effect and quality.
