Product Description

Customized Refinish Car Paint MITSUBISHI X03 1K Black Pearl Acrylic Paint

Product introduction

MITSUBISHI X03 1K Black Pearl Acrylic [Automotive Paint](#), specially designed for the Middle East, Africa, North America, and India markets! The unique micrometer level mica titanium pearl technology endows the car body with a deep and luxurious black pearl luster, and has excellent color stability, withstanding the scorching sun in the Middle East, strong ultraviolet rays in Africa, and high humidity in India. High temperature fast drying formula, surface drying only takes 15 minutes at 50 environment, combined with anti dust and corrosion-resistant coatings, perfectly adapts to extreme weather and complex road conditions, making it an ideal choice for luxury car modification and industrial repair.

Global adaptability

Region	Targeting advantages
Middle East	Resistant to high temperatures of 50
North America	Low VOC emissions
Africa	Anti UV fading
India	Anti high humidity corrosion

Manufactures introduction

Our production plant was established in 2010. It has gradually grown from an initial small factory to a modern enterprise with large production scale, complete industrial chain, advanced equipment and high production efficiency. Since its establishment, Guangzhou Meiliang Chemical Technology Co., Ltd. has also participated in many domestic and international exhibitions.

Production scale: The factory covers a large area and has many advanced automated production lines to meet the needs of different customers.

Complete industrial chain: From raw material procurement, production and processing, quality inspection to packaging and transportation, a complete industrial chain has been formed to ensure the quality and supply stability of the products.

Advanced equipment: Advanced domestic and foreign production equipment and technologies such as automated spraying equipment and high-precision testing instruments have been introduced to improve production efficiency and product quality.

In summary, our MITSUBISHI X03 (1K) black car paint has won high praise and satisfaction from customers for its high quality, excellent effect, high gloss, weather resistance, reasonable price, and comprehensive after-sales service. We will continue to work hard, constantly improve product quality and service level, and provide customers with better products and service.
