Product Description

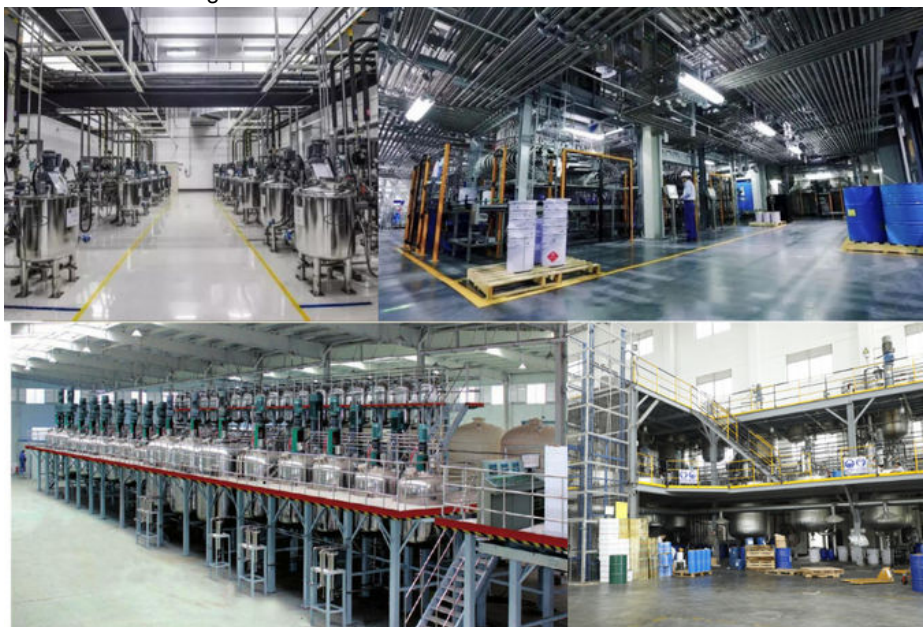

Company Introduction:

Meklon is a professional automotive paint company with more than 20 years of experience in factory operation. Meklon is a large manufacturer in China. Its products are sold in the form of wholesale and exported to Africa, Asia, the Middle East, South America, and various countries. We are experienced, and our production equipment is advanced, the production line is complete, and we use high-end raw materials and have highly skilled engineers. The company team has multiple departments, and is very complete in a series of departments such as R&D, testing, production, sales, and after-sales. It has a complete management system to ensure product quality and customer service. Meklon has developed in an orderly manner and is getting better and better.

And we support OEM, with 5L, 4L, 2.5L, 1L, 0.5L packaging. We have a lot of customers who also customize their own brands. We support it very much. We have professional designers who can design your own brand for you. If you have your own brand design, you can also send us samples and we can customize your brand.

Meklon Car Paint – Your Complete Color & Refinishing Solution

With 20+ years of expertise, Meklon offers an extensive palette of 150,000+ color formulas, including 8,000+ OEM shades for global vehicles. Beyond premium paints, we provide a full range of professional auxiliary products – from precision spray guns and masking materials to polishing compounds and color-matching tools. Our one-stop solution ensures seamless color consistency and flawless refinishing. Available in 5L/4L/2.5L/1L/0.5L packaging with custom branding support, we're your trusted partner for both paints and essential refinishing accessories.
