

## Professional High-Performance Fast Drying Classic Pure Red Acrylic Car Paint With Excellent Wear Resistance And Scratch Resistance, Industrial Strength And Durability

### Our Product Introduction

#### Basic Information

- Place of Origin: China
- Brand Name: Meklon
- Certification: ISO,MSDS,SGS
- Model Number: Car Clear
- Minimum Order Quantity: 50L
- Price: 2.73USD/L-5.56USD/L
- Packaging Details: Box/Carton
- Delivery Time: 10-15 Work Day
- Payment Terms: T/T
- Supply Ability: 500L per day

#### Product Specification

- Shelf Life: 2 Years
- Voc Level: Varies
- Series: CarCharm Series
- Fade Resistant: Yes
- Finish: Glossy
- Weather Resistance: Yes
- Indoor/outdoor: Indoor/Outdoor
- Coverage: High
- Recoat Time: 24 Hours
- Odor: Low
- Chemical Resistance: High
- Manufacture: Meklon

## Product Description

### Company Information

Guangzhou Meklon Chemical Technology Co., Ltd. is a dynamic company that was founded in 2015. We are a major player in the industry and have established ourselves as a trustworthy option for automotive coating needs. Our company specializes in the research, development, production, and distribution of automotive paint, alloy advertising paint, and putty.

As evidence of our dedication to providing high-quality products on a global basis, our vast sales network includes locations in China, Southeast Asia, Africa, the Middle East, Australia, Europe, and America. Notably, our success is demonstrated by the introduction of prestigious brands like "Ferrari" and "Porsche," demonstrating the high regard our products command in the market.

As we continue to evolve, our company has become a comprehensive painting enterprise, offering a diverse range of products tailored to meet the industry's demands. Join us in this journey of success and experience the innovation, reliability, and quality that define our automotive coatings.

### Key advantages of the product

- Industrial-strength wear & scratch resistance
- Fast-drying acrylic for efficient application
- Classic pure red with UV-resistant vibrancy
- Superior flow & leveling for professional finishes
- Military-grade durability for long-term protection

# Tinting Guide

## MK-2K Topcoat Series

Product Code	100%	1:1 202	Features
202			Standard pearl white
203			The pearl effect is more obvious than other

218			Yellowish green
219			Yellowish green
220			Yellowish green
221			Yellowish green
222			Yellowish green
223			Yellowish green

## MK-1 K Basecoat Series

Product Code	100%	50%-10% 484	50%-10% 202	Features
182				Standard bright
183				The base is bright, with silver flake
137				Standard black with silver flake
194				Standard black with silver flake
195				Standard black with silver flake
196				Standard black with silver flake
197				Standard black with silver flake
198				Standard black with silver flake
199				Standard black with silver flake
110				Standard black with silver flake
111				Standard black with silver flake
113				Standard black with silver flake
114				Standard black with silver flake
143				Standard black with silver flake
115				Standard black with silver flake
116				Standard black with silver flake
117				Standard black with silver flake
118				Standard black with silver flake
129				Standard black with silver flake
131				Standard black with silver flake
138				Standard black with silver flake

## MK-1 K Silver Series

Product Code	100%	1:1 143	Features
401			Standard silver
402			Standard silver
403			Standard silver
404			Standard silver
405			Standard silver
406			Standard silver
407			Standard silver
408			Standard silver
409			Standard silver
410			Standard silver
411			Standard silver
412			Standard silver

## MK-1 K Crystal Pearl Paint Series

Product Code	100%	80%-20% 105	Features
304			Crystal effect, silver flake
305			Crystal effect, silver flake

## MK-1 K Pearl Series

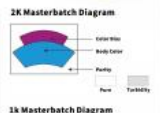

Product Code	100%	80%-20% 105	Features
301			Crystal effect, silver flake
302			Crystal effect, silver flake
303			Crystal effect, silver flake
304			Crystal effect, silver flake
305			Crystal effect, silver flake
306			Crystal effect, silver flake
307			Crystal effect, silver flake
308			Crystal effect, silver flake
309			Crystal effect, silver flake
310			Crystal effect, silver flake
311			Crystal effect, silver flake
312			Crystal effect, silver flake
313			Crystal effect, silver flake
314			Crystal effect, silver flake
315			Crystal effect, silver flake
316			Crystal effect, silver flake
317			Crystal effect, silver flake
318			Crystal effect, silver flake
319			Crystal effect, silver flake
320			Crystal effect, silver flake
321			Crystal effect, silver flake
322			Crystal effect, silver flake

## MK-1 K Color Silver Series

Product Code	100%	1:1 143	Features
416			Standard silver
