Product Description

Some customer feedback

1.Africa Client Feedback

As a long-term distributor in South Africa, we've partnered with [Meklon](#) for over 8 years. Their automotive paints, especially the high - gloss acrylic series, perfectly match the harsh African climate with excellent UV and scratch resistance. The fast - drying feature boosts our workshop efficiency, while the customizable colors cater to local market trends. Meklon's reliable supply chain and technical support make them our top choice.

2.Middle East Client Feedback

Operating in Dubai's extreme heat, we switched to Meklon's polyurethane clearcoats two years ago. The results are outstanding: their products resist yellowing and maintain gloss even under 50°C temperatures. The 2K system's durability reduced our rework rate by 40%. Meklon's Middle East team provides swift responses and customized solutions, helping us dominate the luxury car refinishing market.

3.North America Client Feedback

Serving aftermarket shops across Canada, we rely on Meklon's eco - friendly water - based acrylics. Their low VOC formulas comply with strict regulations, while the consistent color matching saves us hours of tinting adjustments. The 1K quick - dry paints are ideal for our fast - paced workflow. Meklon's North American distribution network ensures on - time delivery, making them our most trusted paint supplier.
