Basic Information

- Place of Origin: China
- Brand Name: Meklon
- Certification: ISO,MSDS,SGS
- Model Number: Mklon
- Minimum Order Quantity: 50L
- Price: 2.73USD/L-5.56USD/L
- Packaging Details: Box/Carton
- Delivery Time: 10-15 Work Day
- Payment Terms: T/T
- Supply Ability: 500L per day

Product Specification

- Coats Required: 2-3
- Top Coat Required: Yes
- Sheen: High
- Durability: Long-lasting
- Suitable Surfaces: Metal, Plastic, And Fiberglass
- Package: Can/carton
- Primer Required: Yes
- Coats: 2-3
- Easy To Clean: Yes

Product Description

Quick overview of core selling points:

Manufacturer direct supply: eliminates the intermediary link and provides high cost-effective professional car paint at factory direct prices, reducing your procurement and construction costs.

Ultra high gloss: After the paint film dries, it presents a mirror level high gloss effect (gloss $\geq 95\%$), seamlessly connecting the repaired area with the original car paint surface, visually seamless.

Ultra bright yellow tone: using high-purity organic yellow pigment, the color saturation far exceeds ordinary car paint, restoring classic bright tones such as "lemon yellow" and "fluorescent yellow", suitable for retro cars, modified cars or accident repairs.

Strong coverage: Single layer spraying can evenly cover base color defects (such as scratches and paint peeling), reduce the number of construction layers, and save time and material costs.

Durable protection: The paint film has high hardness (pencil hardness $\geq 2H$), is resistant to ultraviolet rays and scratches, and is not easy to fade or powder after long-term use, suitable for the long-term exposure needs of the vehicle body.
