

Manufacturer Direct Sales Of UV Resistant Continuous High Gloss Bright Red Car Paint

Our Product Introduction

for more products please visit us on refinishcarpaint.com

Basic Information

- Place of Origin: China
- Brand Name: Meklon
- Certification: ISO,MSDS,SGS
- Model Number: Ferrari
- Minimum Order Quantity: 50L
- Price: 2.73USD/L-5.56USD/L
- Packaging Details: Box/Carton
- Delivery Time: 10-15 Work Day
- Payment Terms: T/T
- Supply Ability: 500L per day

Product Specification

- Solvent Resistant: Yes
- Surface: Metal, Wood, Masonry, And More
- Water Resistant: Yes
- State: Liquid Coating
- Chemical Resistant: Yes
- Coats: 2-3
- Surface Compatibility: Metal, Plastic, And Fiberglass
- Gloss Retention: High
- Indoor/outdoor: Indoor/Outdoor
- Manufacture: Meklon
- Storage: Store In A Cool, Dry Place
- Usage: Car Paint, Plastic Coating
- Material: Acrylic Resin

- 4.Auto putty
- 5.Automotive 2K primers and 1K primer
- 6.Automotive Paint Binders and fixatives
7. Automotive Paint Related hardener, thinner and other solvent

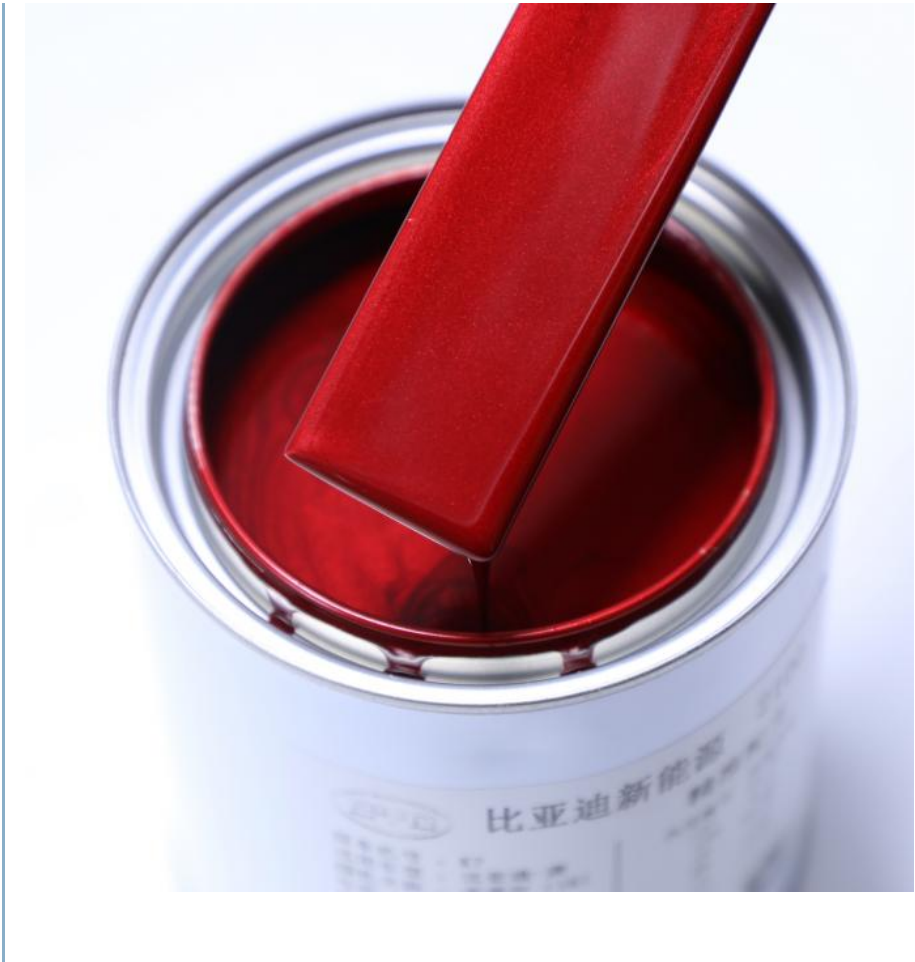

Product Introduction

Clear Coat: To meet the diverse needs of our customers, we offer three grades of high-performance varnish: the economic, standard, and high solid content types. Each variant boasts high hardness, gloss, and resistance to alcohol. When applied over a 1K base coat, our clear coat provides superior protection, durability, and brightness. Achieve a crystal-clear shine and smooth finish with just two coats applied via the wet spray technique.

Hardener: Our varnish line offers high-quality, anti-yellowing solutions. Available in Economic, Standard, and High Solid Content (HS) variations, as well as Fast Dry, Standard, and Slow Dry models, it caters to diverse needs. Compatible with 2K tinters, 2K ready-mixed paint, and clear coats, our products ensure exceptional results.

Thinner: Our thinner selection encompasses Fast Dry, Standard, and Slow Dry variants, tailored to different drying speeds. Suitable for 2K paint, 1K paint, clear coat, 2K primer, and more, it facilitates excellent dissolution and enhances bonding for superior results.
