

Acrylic Black Purple Automotive Spray Paint With High-Performance And Long-Lasting Anti-Corrosion Properties

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Meklon
- Certification: ISO,MSDS,SGS
- Model Number: Porsche
- Minimum Order Quantity: 50L
- Price: 2.73USD/L-5.56USD/L
- Packaging Details: Box/Carton
- Delivery Time: 10-15 Work Day
- Payment Terms: T/T
- Supply Ability: 500L per day

Product Specification

- Color: Assorted
- Top Coat Required: Yes
- Size: Various Sizes
- Material: Acrylic
- Uv Protection: Yes
- Application humidity: Less Than 85%
- Suitable Surfaces: Metal, Plastic, Fiberglass, Wood
- Car Brand: Porsche
- Coating: Acrylic
- Application: Spray
- Sheen: High
- Scrub Resistance: Yes
- Scratch Resistant: Yes

Product Description

Introduction to Meklon Company

1. Company Overview

Geographical location: Headquartered in Guangzhou, China, with convenient transportation and abundant industrial chain resources.

Factory scale: Covering an area of approximately 3000 square meters, it has modern production workshops and warehousing facilities.

Industry status: A manufacturer with excellent reputation in the field of automotive coatings, focusing on the research and production of high-performance repair paints.

2. Core team and technical strength

R&D team:

Led by engineers with 30 years of industry experience, some members have served in top global coating companies.

Equipped with intelligent color matching software (such as Datacolor spectrometer), the color matching accuracy of the finished paint is as high as 98%.

Technological innovation:

We invest 15% of our annual revenue in research and development, and have obtained multiple environmental formula patents.

3. Production System and Quality Control

Equipment and Process:

Fully automated production line, covering the entire process of raw material synthesis, dispersion, filling, and testing.

Adopting ISO 9001 quality management system, key links are certified by SGS.

Capacity and manpower:

300 employees with an average of over 5 years of work experience and an annual production capacity of over 10000 tons of coatings.

Automobile finished paint

Brand:BMW

Code:A31

Car model

Packaging: 1L/Can

4. Product advantages

Color accuracy: Supports global mainstream car brand color codes (such as BMW, Mercedes Benz, Porsche, etc.).

Excellent performance:

Fast drying products (surface drying ≤ 20 minutes) with a hardness of 3H (2K system).

The weather resistance has passed the 5000 hour QUV accelerated aging test.

Environmental Compliance: Obtained China Environmental Labeling Certification.

5. Customer Support and Service

Technical guidance:

Provide 1-on-1 color training and customized spray parameters plan (including video tutorials).

After sales guarantee:

24-hour response mechanism, lifetime free technical consultation.

A global network of over 50 agents ensures the supply of spare parts and localized services.

6. Application Cases

Cooperative clients:

Provide customized paint for multiple Porsche certified body and paint centers in Southeast Asia.

Collaborate with Dubai luxury car modification brand to develop a matte metallic paint series.
