Product Description

Manufacturer direct supply · Customized high-efficiency fast drying deep gray metal car paint

Direct cost reduction: Manufacturer direct sales without intermediaries, price reduction of 30%! Support small batch customization (minimum order of 50L), flexibly adapting to your needs.

Exclusive customization: The deep gray tone can be adjusted to your liking (from cold industrial gray to warm graphite gray), and the thickness/density of metal particles can be adjusted to accurately match the original color or create a unique texture.

Rapid construction: The surface drying only takes 8-10 minutes (25 °C), and it can be polished within 1 hour after spraying. The daily repair volume is increased by 40%, making it a miracle tool for emergency repair/bulk orders!

Advanced texture: delicate metal flash+dark gray base color, three-dimensional and layered light reflection, low-key luxury appears high-end.

Super durable: UV resistant formula with color retention for over 5 years, wear-resistant and scratch resistant, acid rain and bird droppings can be wiped clean with ease and money!

Applicable scenarios: luxury car repair/customization of modified cars/bulk refurbishment of fleets, starting from 50L, globally accessible!
