

## High Saturation Metallic Gloss Blue Car Paint Suitable For All Models With Original Factory Quality

### Our Product Introduction

#### Basic Information

- Place of Origin: China
- Brand Name: Meklon
- Certification: ISO,MSDS,SGS
- Model Number: Nissan
- Minimum Order Quantity: 50L
- Price: 2.73USD/L-5.56USD/L
- Packaging Details: Box/Carton
- Delivery Time: 10-15 Work Day
- Payment Terms: T/T
- Supply Ability: 500L per day

#### Product Specification

- Voc: Low
- Surface Preparation: Requires Clean And Smooth Surface
- Uv Resistance: Yes
- Manufacture: Meklon
- Product Usage: Exterior Car Cleaning
- Odor: Low
- Weather Resistance: Yes
- Function: Cleaning
- Compatibility: Suitable For All Types Of Vehicles
- Chemical Resistant: Yes
- Highlight: metallic gloss blue car paint,  
high saturation car paint, all models car paint

## Product Description

### Core features of the product

Characteristics	Detail
High saturation blue	Using high-purity blue pigment, the color saturation far exceeds that of ordinary blue paint, presenting a rich and vivid visual impact, avoiding fading or graying problems.
Metallic luster effect	The precisely proportioned micrometer sized metal particles reflect a dynamic and sparkling luster on the paint surface at different light angles, enhancing the three-dimensional sense and luxurious texture.
Original factory quality	Strictly matching the original color code standards of automobile manufacturers, precise replication is achieved in terms of hue, brightness, and metal particle distribution. After repair, it seamlessly blends with the original car paint surface without color difference or defects.
Full vehicle compatibility	The color stability and coverage have been verified through multiple vehicle tests and are suitable for sedans SUV, All mainstream models such as sports cars and commercial vehicles support original factory colors or customized requirements.
Excellent durability	-Anti UV: Adding high-efficiency UV absorbers, long-term exposure to sunlight will not fade or yellow. -Scratch resistant and wear-resistant: The paint film has high hardness and is resistant to daily friction and stone impact. -Chemical corrosion resistance: resistant to corrosive substances such as rain, bird droppings, and sap.
Factory direct supply advantage	Source production ensures stable quality, eliminates intermediaries, provides more competitive prices and fast supply capabilities, and supports small batch customization.

### Summary of Product Advantages

Dazzling colors: high saturation blue+metallic luster, visually striking

Original factory matching: precise color reproduction, with no trace as new after repair

Universal across all models: from family cars to supercars, one paint fits all models

Durable and long-lasting: UV resistant, scratch resistant, corrosion-resistant, providing long-term protection for the paint surface

Factory direct supply: high quality+high cost-effectiveness+fast delivery
