Product Description

Product Overview

This high gloss long-lasting orange car paint is a star product directly supplied by Meklon factory, specially designed for car maintenance, modification, and personalized customization. It is based on a bright and saturated orange tone, combined with a mirror level high gloss coating and excellent durability, perfectly adapting to the full scene needs from classic retro cars to modern sports models, providing dual guarantees of original factory level color reproduction and long-term protection.

Overview of Product Advantages

Highly saturated orange: vibrant and eye-catching, suitable for personalized modifications and classic car models
Mirror high gloss: enhances the luxurious texture of the car body, with a visual effect comparable to that of a new car.

Original factory level matching: precise color reproduction, with no trace as new after repair.

Long term durability: UV resistance, scratch resistance, abrasion resistance, chemical corrosion resistance, long-term protection of paint surface.

Factory direct supply: high quality+competitive price+fast delivery.

Applicable scenarios

Car repair shop: Accurately repairing orange paint damage, providing original factory level refurbishment services, especially suitable for classic muscle cars or sports car models.

4S stores&car beauty stores: provide exclusive spray coating solutions for high-end orange car series (such as sports cars, limited edition models).

Car owner DIY/modification: Pursuing personalized orange painting or self repairing small area damage, flexible and convenient operation.

Racing/modification culture circle: The high gloss orange paint perfectly matches the track style and trendy aesthetics.
