Basic Information

- Place of Origin: GUANGDONG CHINA
- Brand Name: Meklon
- Certification: ISO,SGS,MSDS
- Minimum Order Quantity: 1000Rolls
- Price: USD0.04/Roll-0.08/Roll
- Packaging Details: 550*25M/550*30M
- Delivery Time: 5-8 work days
- Payment Terms: T/T
- Supply Ability: 500000Rolls/Month

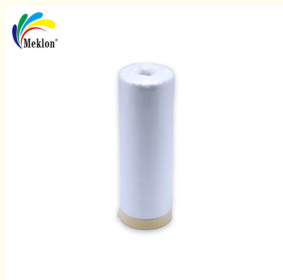

Product Specification

- Size: Various Sizes
- Applicable Models: All
- Environmentally Friendly: Low VOC Emissions
- Surface: Metal, Wood, Masonry, And More
- Produce Name: Shielding Film
- Surface Preparation: Requires Clean And Smooth Surface
- Manufacture: Meklon
- Function: Cars, Homes, Wilderness, Etc

Product Description

Core Highlights

One film for multiple purposes: dustproof/anti paint/anti scratch, covering multiple scenarios such as home decoration, car painting, furniture protection, etc.

Environmentally friendly and durable: using environmentally friendly polyethylene substrate and high-quality Wahi tape composite, dustproof, waterproof, scratch resistant, wear-resistant, safe and non-toxic.

Flexible adaptation: Transparent visual design, precise positioning of protected areas; Roll type easy to unfold, can cut and adapt to curved/irregular surfaces.

Convenient protection: Pre covering the target area effectively blocks dust, pigment splashes, and daily scratches, saving time and effort.

Product specifications

Standard size: 550mm25m/550mm30m (high-frequency practical specification, covering most demand scenarios).

Customized service: Size/package can be adjusted as needed (such as special length, roll diameter, or independent OPP bag packaging).

Material and process

Substrate: High transparency polyethylene film (with clear visibility of the protected area and precise positioning without obscuring).

Adhesive layer: High quality Wahi tape (with moderate adhesion, easy to stick and peel off without leaving any residue, protecting the surface from damage).

Composite structure: double-layer composite process, balancing flexibility and tear resistance, not easily damaged after repeated use.

Applicable scenarios

Home decoration: When painting walls/ceilings, protect furniture, appliances, and floors from paint splashes and dust pollution;

Car spray painting: Accurately cover non spray painted areas of the vehicle body (such as windows, door frames, wheels, etc.) to avoid paint penetration;

Furniture/appliances: daily dust cover, or DIY painting/cleaning to protect high-value surfaces;

Outdoor picnic: Temporary replacement picnic mat, waterproof and dirt proof, lightweight and easy to carry.

Packaging options

Standard OPP bag independent packaging (moisture-proof and dustproof, easy to store and retrieve).

Customized packaging as needed (such as whole roll naked packaging/multi roll combination packaging, suitable for wholesale/retail needs).

Advantages of use

Ready to use: No need for complex operations, easily cover the target area, tightly adhere to the edges, leak proof and splash proof;

Durable and long-lasting: UV resistant, temperature resistant (-10 ~60 °C), stable for both outdoor and indoor use;

Economic efficiency: One roll is versatile, reducing the cost of repeat purchases and adapting to different needs of home/professional construction.

Why choose us?

Environmentally friendly material: Passed SGS safety testing, no odor, no harmful substance release;

Accurate adaptation: Transparent and visible with a cutting design, easily handling complex surfaces such as curved furniture and irregular car bodies;

Flexible service: supports small batch trial orders [customized sizes](#)/brand packaging to meet personalized procurement needs.

Whether it's home DIY or professional construction, this masking film is your ideal choice for efficient protection!
