Product Description

The Muzi 71 Spray Gun is a high - performance spraying tool designed to meet the diverse needs of both professionals and DIY enthusiasts.

1. Exceptional Atomization Technology

The Muzi 71 features advanced atomization technology, ensuring a fine and even spray pattern. Whether you are painting furniture, automotive parts, or home interiors, it can achieve a smooth and consistent finish with minimal overspray. This not only saves paint but also reduces the time spent on cleanup.

2. Durable Construction

Crafted from high - quality materials, this spray gun is built to last. The robust body can withstand the rigors of daily use in various working environments, from workshops to construction sites. It is resistant to corrosion and wear, ensuring long - term reliability.

3. Adjustable Settings

Users have the flexibility to adjust the spray pattern, paint flow rate, and air pressure according to the specific requirements of their projects. This adjustability allows for precise control, making it suitable for a wide range of applications, from delicate touch - ups to large - scale painting tasks.

4. Two Specifications Available

We offer two specifications of the Muzi 71 Spray Gun to cater to different usage scenarios and preferences. The lower pots version provides a more compact and lightweight option for smaller projects or areas where maneuverability is key. The upper pots version, on the other hand, offers a larger paint capacity, ideal for longer - duration painting jobs without the need for frequent refills.

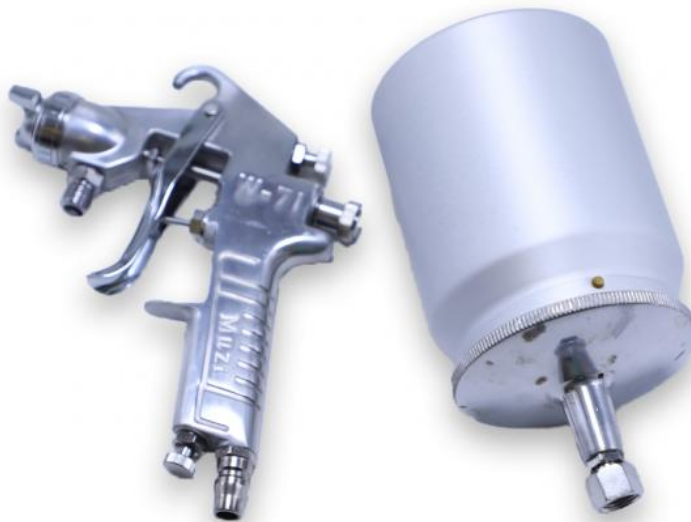

71-Upper pots	9.22/Piece
71-Lower pots	9.36/Piece
75-Upper pots	8.29/Piece
75-Lower pots	8.58/Piece
