

Chinese Supplier Wholesales 80 Degree Heat-Resistant Car Repair Orange Masking Tape With High Viscosity That Can Be Customized With Original Packaging

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Meklon
- Certification: ISO,MSDS,SGS
- Minimum Order Quantity: 1000Boxes
- Price: USD0.5-1/Piece
- Packaging Details: Can/Carton
- Delivery Time: 10-15 Work Day
- Payment Terms: T/T
- Supply Ability: 500 boxes per day

Product Specification

- Drying Conditions: Dry/Clean
- Location: China
- Package: Carton
- Effect: High Viscosity
- Color: Orange

Product Description

Orange car [masking tape](#) produced by Meklon

Product Name	Making Tape
Product Color	Orange
Product Size	18*40m 24*40m 18*50m 24*50m
Product temperature tolerance	80

FAQS(Frequently Asked Questions)

Does the system include formulas for different OEM color formulas?

Yes, please note that this system includes all recipes for the automotive market, such as Nissan, Honda, Toyota, Ford, Chrysler, Fiat, Citroen, etc.

Is the color formula software on the distributor's CD correct?

Yes, we have an application for mobile phones and Android, a PC version for Windows, and a web-based version of the formula retrieval system.

Can the color code be updated online?

Our color code is updated daily and synchronized with the server in real-time. We have over 20 colorists studying it.

Do you provide mixers and color chips?

Yes, we do. It depends on the order quantity, and our products require a large number of mixers and color chips.

Does System-2k have a RAL formula?

Yes, we have the RAL formula.

Is the mixing ratio of 1k in the system 1:1?

Yes, carbon powder (pigment): diluent=1:1 (vol)

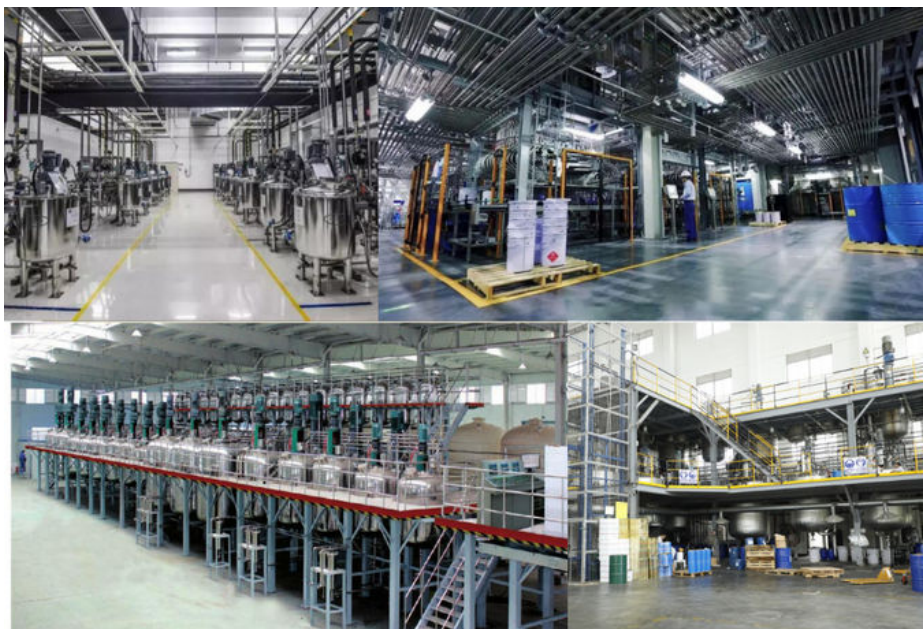

Can we send samples of carbon powder, transparent coating, primer, and polyester putty?

Yes, we can provide some samples for you to do some sample testing.

What support can you provide to distributors?

We provide color swatches, mixers, formulation systems, promotional materials such as t-shirts, hats, etc; In addition, customers can attend product training at our training center. If the customer base is large enough, we will provide training for everyone in your country/region
