Product Description

OEM Manufacturer Of High-quality Acrylic Clear Coat For Automotive Paint

Meklon Product and Supply Advantage Comparison Table

Advantage dimension	Meklon's core advantages	Specific performance/data support	Value to customers
Product advantages	Full coverage of all types+precise customization+high stability	-Covering a full range of automotive paints such as primer, topcoat, and varnish; -150000+formula database, accurately matching original color codes and customized colors (color difference $\Delta E \leq 0.5$); -The weather resistance (UV/high temperature/humidity resistance), wear resistance (scratch resistance), and environmental friendliness meet international standards.	Wholesalers can purchase a full range of products in one place, without the need for multiple suppliers to assemble them; High quality paint film meets the demanding needs of end customers, improving repurchase rate and reputation.
Supply advantage	Factory direct supply+flexible production capacity+global delivery	-3000 self owned factory supports flexible adjustment of production capacity, with regular products in stock; -Emergency orders respond within 48 hours, priority is given to property rights for bulk purchases; -Our sales network covers the world (China/Southeast Asia/Africa/Middle East/Europe and America), and intelligent logistics tracking ensures timely delivery.	Customers do not need to worry about out of stock or delays, urgent needs can be quickly resolved; Stable global supply capacity helps to explore multi regional markets and reduce supply chain risks.

Meklon guarantees product hard power with "professional manufacturing+technical accumulation", strengthens supply soft power with "factory direct connection+global network", and provides you with a one-stop cooperation solution of "good products+stable delivery". It is the preferred partner in the field of automotive paint wholesale and distribution!
