

Can Quickly Supply Wholesale Sales Of Automotive Paint From Manufacturers

Our Product Introduction

for more products please visit us on refinishcarpaint.com

Basic Information

- Place of Origin: China
- Brand Name: Meklon
- Certification: ISO,MSDS,SGS
- Minimum Order Quantity: 100Boxes
- Price: 2.63 ~ 6.25 USD
- Packaging Details: Can/Carton
- Delivery Time: 7-15 work day
- Payment Terms: ,T/T
- Supply Ability: 1000Boxes/day

Product Specification

- Manufacture: Meklon
- Material: Acrylic Resin
- High Light: Ready Mixed Car Paint
- Durability: Long-lasting
- Scratch Resistance: Yes
- Fade Resistant: Yes
- Weather Resistance: Yes
- Color System: Yes
- Chip Resistant: Yes
- Filterability: Excellent

Product Description

Can Quickly Supply Wholesale Sales Of Automotive Paint From Manufacturers

Factory Hard Power: 10 Years of Craftsmanship, Double Guarantee of Quality and Capacity

As a professional manufacturer of automotive paint in China, Meklon has a standardized workshop of 3000 square meters and three major professional laboratories. It independently controls the entire process from raw material screening to finished product delivery - selecting international level environmentally friendly resins, high weather resistant pigments, and special solvents. With over 150000 precise formula databases and digital color matching systems, Meklon ensures that each batch of paint film has core properties such as:

- Strong weather resistance (UV/high temperature/humidity resistance)
- High wear resistance
- Precise color reproduction

We have obtained ISO international quality system certification, and each batch of products undergoes strict quality inspection to supply our global customers with the standard of "quality at the factory".

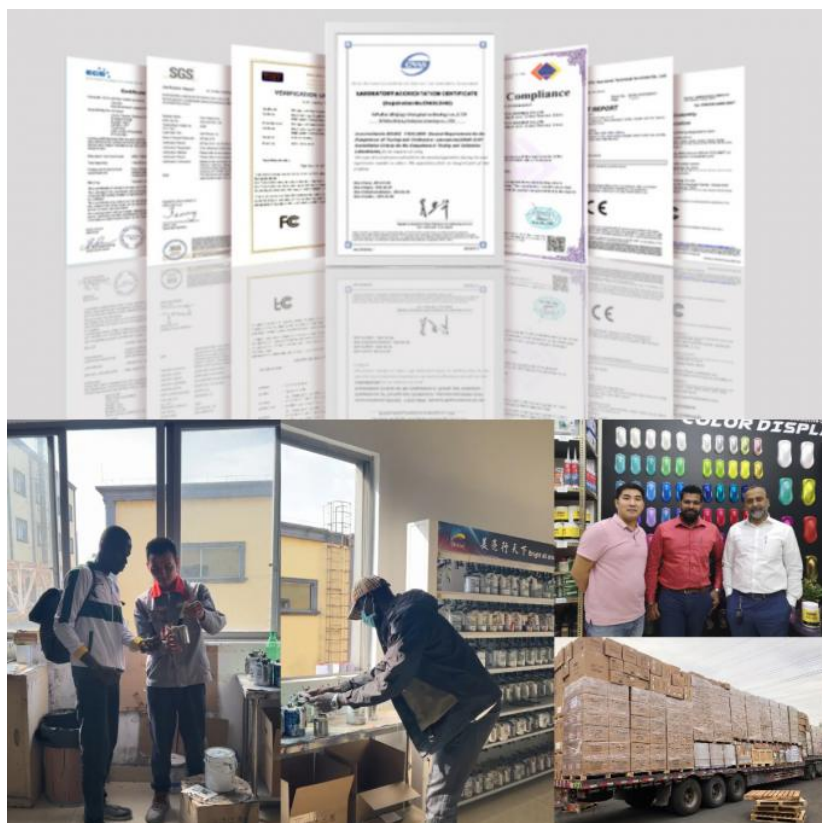

More importantly, the self owned factory direct supply model allows us to flexibly adjust production capacity: regular products have a standing safety stock, emergency orders can be responded to within 48 hours, and bulk purchases are prioritized for property rights; At the same time, relying on China's mature supply chain system and advantages in large-scale production, we have transformed cost control into tangible high cost-effectiveness - prices lower than the industry average for the same quality, helping wholesalers increase their profit margins.

Global customer satisfaction test: unanimously recognized by customers from Senegal, Cote d'Ivoire and other countries after on-site inspections

The Meklon factory has welcomed on-site inspections from French speaking African countries such as:

- Senegal
- Cote d'Ivoire
- Congo Brazzaville

as well as customers in Southeast Asia, the Middle East, and other regions. Customers walked into the production workshop and witnessed the standardized operation of the entire process from raw material mixing to filling and packaging with their own eyes; In the laboratory, our technical team demonstrated precise color matching and weather resistance testing on site (such as simulating the stability of paint films under strong ultraviolet radiation in Africa), and our professionalism and transparency were highly praised.
