## Product Description

### Chinese Made Car Masking Tape Factory Price Sales

#### Meklon domestic masking tape: factory direct supply, globally trusted

Meklon, as a professional adhesive tape manufacturer in China, provides customers with cost-effective and highly reliable car masking solutions with "factory direct supply price+four core advantages", helping to reduce costs and increase efficiency!

#### Core advantages

- **Factory direct supply, worry free bottom price:** self owned production line direct supply, eliminating the need for intermediaries to increase prices, with prices 20% -30% lower than imported brands; Support discounts from 50 boxes to 10000 rolls, flexibly adapting to different needs.
- **Quality benchmarking international:** high viscosity pressure-sensitive adhesive+high-quality substrate (PET/film), tightly adhered without curling or residue, accurately masking complex surfaces; Temperature resistance -10 to 150 (some 200 ), solvent resistance and friction resistance, no paint overflow during spraying; Multiple specifications are available (width 10-150mm/length 30-50m/multiple colors).
- **Full link service:** providing free shielding solution suggestions; Regular models can be shipped domestically within 48 hours and directly to the main port overseas; 24-hour response package for quality issues, returns and exchanges, and exclusive customer service for long-term cooperation.
- **Domestic strength verification:** 10 years of manufacturing experience, automated production lines+ISO 9001 certification, passed the EU RoHS environmental protection standard, exported to more than 30 countries, highly trusted by overseas auto repair shops/spray painting workshops.

#### Meklon tape - factory direct supply price, globally recognized quality, to safeguard your spraying operations!
