Product Description

Automotive Paint Manufacturing OEM Acrylic Automotive Paint Color

Company Profile

Meklon - an outstanding manufacturer in the field of automotive repair materials, has been committed to providing high-quality Polyester putty products to customers around the world since 2010.

We have advanced and complete production equipment to ensure that every production link is accurate and efficient. An experienced team of engineers is one of our core competitiveness. With years of professional knowledge and practical experience, they continue to develop and innovate, optimize product performance to meet the diverse needs of different customers.

The perfect industrial chain enables us to strictly control every link from raw material procurement to finished product delivery, ensuring stable and reliable product quality. Over the years, our products have been sold all over the world and won wide praise and trust from customers.

Frequently Asked Questions (FAQ)

Q1: What is your company's nature - a trading company or a manufacturer?

A: We operate as a reputable manufacturer situated in Shaoguan, Guangdong, China. Our state-of-the-art factory is conveniently located just a one and a half-hour drive from Guangzhou airport.

Q2: Do you offer samples, and is there a cost associated with them?

A: Depending on the situation, we can provide complimentary samples to interested parties.

Q3: Can you produce paint under my brand and logo?

A: Certainly. We provide the option to package and deliver the paint under your brand. However, certain licensing requirements and minimum order quantities apply. Feel free to contact us for a detailed discussion on our OEM Cooperation Terms.

Q4: Is your car paint suitable for our local weather conditions?

A: Our car paint has undergone rigorous testing both nationally and in overseas markets. Additionally, we can customize the formula to ensure optimal performance in various climate conditions.

Q5: Can you create customized colors?

A: Yes, we can. Provide us with a color sample, or alternatively, share a picture for reference, and we'll tailor the color to meet your specifications.

Q6: What advertising materials are provided for free with my order, and how many pieces are included?

A: With your order, we offer a range of complimentary advertising materials, including mixing machines, balances/scales, spray guns, display racks, T-shirts, caps, CDs, posters, tinting maps, TDS (Technical Data Sheets), color reference cards, mixing rulers, and more. The quantity of free items is determined based on your order amount, ensuring you have the tools to showcase our premium automotive coatings.
