

Car Care Products Come In Multiple Colors And Can Be Customized In Size With Car Masking Tape

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Meklon
- Certification: ISO,MSDS,SGS
- Minimum Order Quantity: 100Boxes
- Price: 0.15-0.96USD
- Packaging Details: Can/Carton
- Delivery Time: 7-15 work day
- Payment Terms: T/T
- Supply Ability: 1000Boxes/day

Product Specification

- Manufacture: Meklon
- Storage: Store In A Cool, Dry Place
- Service: OEM/ODM/Wholesale Available
- Type: Masking Tape
- Port: Nansha

Product Description

Car Care Products Come In Multiple Colors And Can Be Customized In Size With Car Masking Tape

Meklon car masking tape - professional protection, customized worry free

Meklon car masking tape is a high-performance protective tool designed specifically for car painting, sheet metal repair, and other scenarios. It uses high viscosity, strong wear-resistant substrates to ensure a tight fit without curling edges, accurately masking the edges, gaps, and non spray areas of the car body (such as glass, plastic parts, and wheels), effectively blocking paint mist splashes, and protecting the original car surface from damage. Its high temperature resistance and solvent resistance are suitable for baking paint technology, and there is no residue after tearing, balancing construction efficiency and original vehicle protection.

Wholesale customization service: For bulk purchasing customers (such as auto repair chains, 4S groups), Meklon supports personalized customization of dimensions (such as width/length), colors (such as blue/white/black, etc.), viscosity levels, etc., to meet the special needs of different vehicle models and processes, and to help brands unify their logos or apply them in special scenarios. Factory direct supply offers better prices, welcome to discuss cooperation!
