Product Description

High Performance Acrylic Car Scratch Repair Car Paint Wholesale Purchase

Meklon - Your Professional Automotive Paint Solution Partner

Meklon is deeply rooted in the field of automotive repair paint, with "quality+professionalism+flexibility" as its core advantages, providing you with full chain services:

- Full category product matrix - covering a full range of repair paints such as 1K/2K color paint, clear paint, primer, atomic ash, etc., suitable for mainstream car models worldwide, with precise color reproduction;
- Customized services - support OEM brand packaging, exclusive color code matching (including special vehicle formula such as Russia/Kazakhstan), to meet personalized needs;
- Technical empowerment - professional color matching software+intelligent color matching system, accompanied by a senior team to provide full guidance (from paint mixing to spraying process), ensuring worry free construction;
- Global delivery - direct supply from our own factory, strict quality control to ensure performance (weather resistance/wear resistance/UV resistance), efficient logistics and fast response, covering more than 20 countries and regions.

From raw material selection to after-sales support, Meklon uses craftsmanship and reliable service to help every car rejuvenate!
