

## Ultra High Hardness Automotive Paint Varnish With High Performance

Our Product Introduction

for more products please visit us on [refinishcarpaint.com](http://refinishcarpaint.com)

### Basic Information

- Place of Origin: China
- Brand Name: Meisilianke
- Certification: ISO,MSDS,SGS
- Minimum Order Quantity: 100Boxes
- Price: 2.21~6.92USD
- Packaging Details: Can/Carton;1L/4L/5L/20L/200L
- Delivery Time: 7~15 Working Days
- Payment Terms: ,T/T
- Supply Ability: 500Boxes/day

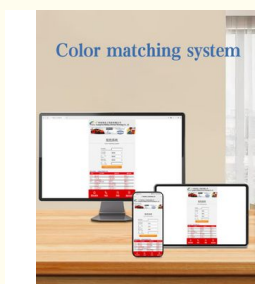

### Product Specification

- Service: OEM/ODM
- High Light: Ready Mixed Car Paint
- Shelf Life: 3-5 Years
- Uv Resistance: Yes
- Surface Preparation: Sanding And Cleaning
- Applicable Models: All
- Dust Proof: High
- Coats: 2-3
- Port: Hong Kong, Huangpu, Shekou, Nansha
- Product: Clear Coat
- Solvent Resistant: Yes

## Product Description

### Ultra High Hardness Automotive Paint Varnish With High Performance - Meklon Offers Multiple Brand Choices

#### Meklon 8700 lightning clear varnish: 15 minute rapid curing, defining a new standard for professional painting

Meklon 8700 Lightning Varnish is a revolutionary two-component high-performance varnish designed for professional painting scenarios that pursue ultimate efficiency and top quality. The core breakthrough lies in achieving 15 minute lightning drying, which significantly reduces workstation turnover time while ensuring excellent construction performance, redefining the industry benchmark of "fast drying" and "high quality" coexisting.

#### Core Features

Rapid solidification productivity

Surface drying time  $\leq 15$  minutes, polishing time can be shortened to 2 hours

Quickly overlay coatings to improve continuous operation efficiency by over 30%

Stable drying speed is maintained in low temperature environments (above 5 °C)

#### Top coating performance

Hardness of over 3H (after 72 hours), scratch resistance improved by 40%

Glossiness  $\geq 98\%$ , presenting a crystal like transparent texture

Excellent leveling performance, orange peel control reaches the highest level in the industry

#### Construction advantages

High tolerance, suitable for conventional spraying equipment

High temperature without edge expansion, low temperature without sagging

Compatible with water-based, solvent based, and most base paints

Meklon 8700 lightning clear varnish is developed with the concept of "speed without compromising quality", and has become the preferred solution for efficiency upgrades in many professional sheet metal spraying centers. Its unique fast curing technology allows professional construction to bid farewell to long waits.
