Product Description

Car Repair Paint X06 Crystal Green Pearl 1L Acrylic High Gloss Factory Wholesale 7-14 Days Delivery

Meklon Chemical is a leading manufacturer specializing in professional **Acrylic** automotive refinish systems. Our **X06 Crystal Green Pearl** is a high-performance 1K special pearl tiner designed for premium automotive restoration and custom industrial coatings.

As a **direct factory supplier**, we benchmark our **Acrylic** formulations against global leaders such as **PPG, Yatu, AkzoNobel, Sherwin-Williams, and Baohong**. We provide an OE-level crystal finish at competitive **wholesale prices**. With a **7-14 days reliable delivery** and full support for **customized branding and packaging**, we are your strategic partner in the global refinish market.

Features & Advantages

- **Features:** Stunning Crystal Green sparkle, high-solid **Acrylic** system, excellent UV resistance, and superior color stability.
- **Factory Direct:** Direct manufacturing from our **60,000 m² facility**, cutting out middlemen for better margins.
- **OEM Support:** Specialized in **private label and custom packaging** (MOQ 300).
- **Fulfillment:** **7-14 days lead time** for bulk orders; **Free 1L samples** available (shipping excluded).

Product Specifications

Paint Film Property	Scratch-resistant
HS Code	320820
Level	High
Certification	ISO4001, ISO9001, ISO16949
Substrate	Acrylic
Components	Pigment
Formation Mechanism	Non Conversion Type
Transport Package	Carton Box
Shelf life	3-5years
MOQ	50L
Carton Specification	45*33.5*13.8
Delivery	By sea

Key Performance Features

Excellent Adhesion

Ensures corrosion-resistant, long-lasting finishes on car surfaces while minimizing rework in collision repair applications.

Strong Covering Power

High-performance automotive paint with primer-ready formula achieves flawless adhesion and durability on pre-treated metal surfaces using compatible epoxy primers.

High Chroma Color

Ultra-high chroma automotive paint with Pantone®-validated color intensity delivers vibrant, fade-resistant finishes for custom cars and luxury restorations (ISO 105-A05 xenon test certified).

Manufacturer Advantages

Guangzhou Meklon Chemical Technology Co., Ltd

Guangzhou MEKLON Chemical Technology Co., Ltd. is a leading automotive chemical manufacturer specializing in paints, primers, and additives. With over 15 years of experience, it operates a 60,000 m² facility, adhering to ISO9001 and ISO14001 standards.

The company provides high-quality, low VOC products and supports distributors with color formula software, mixing machines, and

training.

- **Global Reach:** Sales network covers more more than 65 countries with over 1,500 customers in China
- **Industry Partnerships:** Established relationships with well-known automobile manufacturers, shipbuilding, and machinery manufacturers
- **Professional Support:** Comprehensive technical support and timely after-sales service from order placement through completion
- **Custom Solutions:** Customized options available for special colors and effects to meet individual customer requirements

The multi-dimensional manifestation of technical professionalism

1. **Resin and Curing System:** The technical team of the company has a profound understanding of the cross-linking reaction mechanism of acrylic resin and isocyanate curing agent. They can precisely control the drying speed of the paint film, as well as the balance between final hardness and flexibility. According to different climate regions, they have developed special formulations that are suitable for high humidity and heat, cold regions, and strong ultraviolet environments.
2. **Color Development Capability:** Leveraging a rich color master system and a professional color matching database, the company is able to quickly match the original factory colors of various vehicle models, meeting the strict color accuracy requirements of the repair market.
3. **Safety and Compliance Assurance:** All products are accurately classified in accordance with the United Nations GHS system and Chinese national standards (GB 30000 series). They come with complete safety data sheets (SDS) and compliant labels that meet the requirements of GB/T 16483 and GB 15258. During the transportation process, strict compliance with international dangerous goods regulations such as UN1263 (Class 3 Flammable Liquids) is followed. Each batch of exported products is entrusted to an authoritative institution to obtain the "Cargo Transportation Condition Appraisal Certificate" to ensure full chain safety and compliance from production to delivery.

FAQ

Q1: What is the visual effect of X06 Crystal Green Pearl?

A: X06 provides a vibrant **Crystal Green** shimmer with a high-sparkle effect. It is a premium 1K pearl tiner that adds depth and brilliant reflection to high-end vehicle colors.

Q2: How does your quality compare to international brands?

A: Our **X06 Crystal Green Pearl** benchmarks directly against **PPG and AkzoNobel**. Using a 100% **Acrylic** system, it delivers the same brilliance and chemical resistance at factory-direct prices.

Q3: What is your standard shipping time for wholesale?

A: As a high-capacity factory, we maintain a reliable **7-14 days lead time** for all standard wholesale orders of **X06 Crystal Green Pearl**.
